I am aware of the Brownsville ISD's Cell Phone and Electronic Device Policy during testing. If it is discovered that I kept my cell phone or any other electronic device during testing;

- 1) It is possible that my test will be invalidated, even if my test document has already been submitted to the test administrator.
- 2) My cell phone or other electronic device(s) will be confiscated on the spot and given to the principal. An investigation will then be conducted to determine cell phone or electronic usage during testing.
- 3) Disciplinary actions will be decided at the campus level and if needed at the district level.

- Check one:      \_\_\_\_\_ I do not have a cell phone and/or electronic device with me at school.
- \_\_\_\_\_ My cell phone and/or electronic device is off and I have turned it in to my test administrator. It will be returned to me at the end of testing.
- \_\_\_\_\_ My cell phone and/or electronic device is off and in my backpack or purse in a designated area of the room.
