

### **Student and District Travel: Superintendent's Message**

Good morning, we will continue to monitor all student and staff travel in regards to the Coronavirus. We have met with all administration to go over restrictions when our students and staff travel. So far, we have not heard from T.E.A. or U.I.L. if there will be any cancellation of student events or travel. I will continue to keep you informed if there are any changes to our plan or we get direction from other agencies.
