RE: Closing of Campus at Hanna Early College High School

It has come to our attention that two employees of Hanna Early College High School recently tested positive for COVID-19. Although we are not aware of any other employees that have tested positive, in an abundance of caution, we will be closing Hanna Early College High School from **Tuesday, July 7, 2020, through Monday, July 13, 2020**. The Brownsville Independent School District will take the opportunity to clean and disinfect the campus and ensure a safe environment at the school when it reopens on **Tuesday, July 14, 2020**.

The following are symptoms of COVID-19:

- 1.) Cough, shortness of breath or difficulty breathing
- 2.) Chills, repeated trembling with chills
- 3.) Headache, muscle pain, sore throat
- 4.) Red eyes
- 5.) Diarrhea
- 6.) Feeling feverish or a temperature measure greater than or equal to 100 degrees Fahrenheit

If you exhibit any of the above symptoms, do not report to work on **Tuesday, July 14, 2020**. Instead, seek medical attention and let your campus principal and the human resources department know of your situation.

As stated, Hanna Early College High School will be closed this week and employees will continue to work from home. If you cannot return on Tuesday, July 14, 2020, please contact your immediate supervisor to discuss alternative work options.

Rest assured, the health and safety of our employees is our first priority. If you have any questions, or need more information regarding this matter, please contact Blanca Lambarri, principal of Hanna Early College High School, or Carmelita Rodriguez, assistant superintendent of human resources.

Very truly yours,
