RE: Postponement of BISD Strength and Conditioning

After careful review of the most up to date data, the Brownsville Independent School District will continue to postpone the Strength and Conditioning program indefinitely. The administration will continue to monitor the status of our local health department and state associations for a safe return.

Coaches contractual start dates will be honored. Please report to your respective campuses for work on the date assigned. The athletic department will continue to follow the guidance of the University Scholastic League when the information is made available.

If you have any further questions, contact your campus athletic administrator or the BISD Athletic Department.
