Mission Statement

Mission Statement

The mission of Morningside Elementary is to provide a safe, student-centered, supportive environment that utilizes all resources for the education of our children. Essential to this process is a school, parent, and community partnership that fosters mutual respect and willingness to work together. Our students will develop personal dignity, self-worth, and skills to prepare them to meet the challenges of the future.

Vision

Vision Statement

The faculty and staff at Morningside Elementary will produce students who will excel in all areas of development including academic, socio-cultural and emotional growth. Morningside Elementary will value all students equally and accommodate teaching to all learning styles. Students will be provided an inviting atmosphere by a unified learning community dedicated to producing critical thinkers and life-long learners.

Comprehensive Needs Assessment Data Documentation	33
Goals	34
Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens.	34
Goal 2: The students in the public education system will demonstrate exemplary performance in instrumental music, choral music, visual arts, theatre arts, and dance.	40
Goal 3: Through enhanced dropout efforts, all students will remain in school until they obtain a high school diploma and/or pursue a post-secondary education.	41
Goal 4: The students will be encouraged and challenged to meet their full educational potential.	44
Goal 5: School campuses will maintain a safe and disciplined environment conducive to student learning.	45
Goal 6: The Board of Trustees, in collaboration with District Staff, Administration, Parents, and Community will provide required support and resources for the attainment of educational excellence and equity. Parents will be full partners with educators in the education of their children.	48
Goal 7: Migrant students will be challenged and encouraged to meet state content standards and assessments that are necessary to graduate on time and enroll in post secondary education while receiving additional supplemental support in order to overcome the obstacles encountered due to their migrant lifestyle.	51
Goal 8: Our vision for technology is to have all district stakeholders involved in the teaching and learning process seamlessly integrate technology to make informed decisions and advance student achievement and technology literacy to encourage and support creative, innovative, lifelong learning.	54

Comprehensive Needs Assessment

Needs Assessment Overview

Morningside Elementary School uses its Title I, State Compensatory and other funds to upgrade the entire instructional program by implementing school-wide programs as authorized under the provisions of Public Law 107-110, Section 1114.

The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment (CNA) over a period of one year to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. Based on the CNA, the committee decided to concentrate on improving the passing rate of all students and student groups including Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on state assessments. The goal is to have 90 percent of all students and all student groups passing all parts of state mandated assessments for the 2015-2016 and to increase the commended performance level in all content areas. To accomplish these objectives, the staff will use the budgeted funds to implement school-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of academic performance, use effective methods and instructional strategies that are established on scientifically based research that (1) strengthen the core academic program; (2) increase the amount and quality of learning time, including the funding of an after-school tutorial/ summer school/ enrichment program, for students who are At-Risk and in need of continuity in their instructional program to be successful in the succeeding school year; (3) include strategies for meeting the educational needs of historically underserved populations; (4) include strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk, or not meeting the State student academic achievement standards; (5) address how the school will determine if such needs have been met; and (6) are consistent with and are designed to implement the State and local improvements plans. The Pre-K program (age 4) will be provided the full day in order to better prepare qualified students academically. The PK3 program (3 yr. old) will meet for 1/2 day, an a.m. group and a p.m. group of students. Instructional materials will be provided and updated as necessary to meet the instructional needs of the PK program.

Highly-qualified teachers will carry out the instructional program. Only teachers who are certified and who have met state testing requirements to teach the subjects/grade levels to which they are assigned will be hired by the school. In emergency situations, the school will consider teachers who have alternative certification. In addition to appropriate certification, teachers will be sought who are experienced and have been successful in previous assignments. The District also pays stipends for attainment of a Master's Degree, being a TST (Technology Support Teacher), core academic professional development, bilingual, and special education positions. The school will provide access to high-quality ongoing professional development throughout the school year for all staff including teachers, principals, and paraprofessionals. Professional development activities will be geared to support teachers in implementing the curriculum and staying abreast of STAAR testing.

Title I, Part A funds will be used to partially finance strategies to increase parental involvement at the school including the parent workroom and to purchase special materials used in the parent volunteer program. Parent education will be provided to parents by the campus parent liaison as well as the District's Parental involvement Center. Parent training on how to help their students be successful at home, learning English, discipline management, and parenting

skills will be provided to those parents who want to better meet the rigors of parenting. Morningside will be more conscience of what the interests are for our parents and try to accommodate them.

An orientation for preschool children from Head Start to assist with the transition to Morningside will be held annually in the Spring **and** for 5th grade students and their parents to assist with the transition into middle school.

Teachers will be included in decisions regarding the use and selection of academic assessments to measure student performance. Teachers will use data obtained from state assessments as well as other instruments, including but not limited to the SELP/SSLP, TELPAS, and benchmark tests, to implement new instructional strategies, modify existing strategies and/or discontinue existing strategies to better address student needs as determined by use of these instruments.

Students experiencing difficulty in mastering the TEKS will be provided effective, timely additional assistance. All teachers will closely monitor all students' performance based on daily exercises and periodic tests. Students not mastering the objectives will be provided additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs. Response to Intervention is being implemented to ensure student success.

The school will coordinate and integrate federal, state, and local programs and services to maximize the effectiveness of these resources. Several of the strategies being implemented are jointly funded with Special Services and Title I Funds, e.g., after school tutorial programs, professional development activities are also paid for from Title I, Parts A and Local Funds. Title I Funds along with State Compensatory and local funds are used to purchase supplemental instructional materials, media, and library resources used to improve and enhance the overall instructional program.

In addition to those described above, Migrant Funds are used to identify and recruit children of migratory workers for supplemental services designed to reduce the educational disruptions and other problems that result from repeated moves. Migrant students will be provided with hygiene products, classroom supplies, clothing and shoes in order to increase attendance and receive consistent instruction. PFS students will be provided with additional supplemental services. Substitutes will be provided for LPAC teachers to meet and update LPAC information accordingly.

Bilingual Funds are used to provide supplemental services to help ensure that children who are limited English proficient attain English language proficiency and develop high levels of academic attainment. Morningside implements the transitional model to ensure that students make the transition into the English language.

The campus will also continue to provide the state mandated State Compensatory Education Program through campus as well as District funded initiatives. Morningside will keep abreast of "At Risk" students to aid and monitor them throughout the year by offering funded tutorials afterschool and on Saturday. The campus will be kept clean and safe for after school tutorials.

Special education funding provides supplemental services to eligible students as per Individuals with Disabilities Education Act (IDEA) identification requirements. In order to ensure a free and appropriate public education (FAPE) in a least restrictive environment (LRE), children who qualify for special education must receive services in accordance with a properly developed Individualized Education Program (IEP) as per federal and state special education guidelines. In addition, all Admission, Review, and Dismissal (ARD) committees will adhere to the policies and procedures outlined by the Texas Education Agency (TEA) in the ARD Committee Decision-Making Process for the Texas Assessment Program Manual and A Guide to the Admission, Review and Dismissal Process. Students with Special needs will have high expectations and will be assisted in helping them achieve these expectations.

The counselors and administration will communicate proper behavior, correct choices, and resistance to peer pressure by utilizing Project Wisdom. Correct choices and solutions to problems will be emphasized through the daily recitation of Words of Wisdom.

Essential learning resources will be provided for all students by utilizing the BISD Media Center

Morningside will continue to integrate technology to our RE/SE classrooms for example, Study Island. It will help teachers better implement their TEKS based curriculum so that students will meet their grade level expectations.

Computers will provide accessibility to instructional programs that would increase student interaction and engagement in the learning

1. The level of technology integration into classroom instruction by teachers and students will be increased. Computer lab will be scheduled daily by grade level.

New software that is in line with current TEKS will be purchased.

Professional Development will be offered by the TST for students and teachers to ensure proper integration of technology in the classroom.

Teachers will be encouraged to seek professional development outside of contract hours offered by the Technology Dept.

Teachers will integrate the use of computers and will require a technology project from the students on a 6 weeks basis.

Demographics

Demographics Summary

1. CNA Procedures for Demographics:

The SBDM committee created a sub-committee to analyze different data sources to see what action to take.

The student population at Morningside Elementary School is approximately 675 students and serves students in grades Pre-Kindergarten through fifth. According to the PEIMS Data Review of our campus profile, the student population includes: Hispanic (100%), Economically Disadvantaged (97.2%), Limited English Proficient (42.9%), At-Risk (62.0%), Special Education (9.1%), and Gifted and Talented Education (4.4%). The mobility rate for the campus is 18.6%. The Attendance Rate is 97.1% for all students and 97.0% for at-risk students. Moreover, the Retention Rate is 8.4% for all and at-risk students.

Demographics Strengths

Demographics Strengths

- Enrollment (maintain –grew)
- Increase attendance *for all subpopulations* to meet the goal of 98% by calling home and making home visits.

Demographics Needs

1. I. CNA Procedures for Demographics:

The SBDM committee created a sub-committee to analyze different data sources to see what action to take.

-

1. **II. Data Sources Reviewed:** The following sources provided valuable data for Demographics in regards to the identification of needs:

- Enrollment
- Attendance
- Special Program Participation

1. **III. Findings/Analysis Results:** The following strengths/area of improvement was identified after all findings were analyzed by the SBDM Committee.

Summary of Needs: After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that, through the collaboration of various campus resources and community entities, the needs listed above would be addressed through GL meetings, monthly SPED co-planning, and coordination with teachers and parent liaison to continually monitor student attendance.

Student Achievement

Student Achievement Summary

Student Achievement Summary

Morningside Elementary met the standard based on the state assessment results during the 2016-2017 school year, and achieved academic distinctions in the following areas: Academic Achievement in Reading/English Language Arts; Academic Achievement in Science; Top 25 Percent Closing Performance Gaps, and Postsecondary Readiness. The campus has consistently averaged 90% of all students passing all areas of the STAAR. We will strive for continued success through the implementation of differentiated instruction, Tiered instruction, RTIs, TLI strategies, and continued professional development for all teachers targeting areas of need. After a thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following demographics areas of improvement would be addressed:

1. Recognition of Perfect Attendance Students by class and school wide
2. Parent/School Log of Communication
3. Home Visits by Parent Liaison
4. MIA log (kept by parent liaison)
5. Use Schoolmessenger system to notify parents of absences and upcoming schedule changes
6. Migrant students will be provided health products, jackets and shoes

To best support campus efforts and meet the identified needs at the District and Campus level; activities, resources, and implementation timelines related to Demographics are set forth in all sections of the 2016-2017 Campus Improvement Plan.

Student Achievement Strengths

Exemplary status with STAAR (maintain)

We exceeded BISD raw score averages in all areas (Math, Reading, Writing, & Science)

Student Achievement Needs

- Increase Reading and Fluency Comprehension for all sub-populations (TLI District initiatives, benchmarks, progress monitoring, daily/weekly fluency drills)
- Provide additional reading materials to the campus
- Differentiated instruction for all ELL students (Small group instruction, tiered instructional grouping, ELPS incorporated in daily lessons)
- Substitutes will be provided for LPAC committee teachers.
- Substitutes will be provided to enable regrouping of bilingual students following the first round of 5th grade assessments in April.
- The campus will provide a Dyslexia teacher to work to meet the needs of that student population.
- Maintain Exemplary Status by preparing students for exams by providing tutorials and increased instructional computer lab time
- Provide more supplemental STAAR instructional materials
- Prepare students academically for exams by providing tutorials and increased instructional computer lab time
- Raise the levels of Commended Performance above 50% by doing tutorials, pull outs and Saturday Academies
- Laptops and Projectors are needed in all classrooms for delivery of instruction
- Migrant students will be provided hygiene products, classroom supplies, clothing and shoes in order to increase attendance and receive consistent instruction
- A refrigerator and furniture will be purchased for use during faculty, staff and parent meetings and/or trainings on campus.
- Duplicating paper will be purchased to provide additional handouts, worksheets, homework assignments and tutorial materials.

School Culture and Climate

School Culture and Climate Summary

Summary of Needs: After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following School Culture and Climate areas of improvement would be addressed:

1. Parental involvement activities will be continuous throughout the 2016-17 school year.
2. Funds will be set aside to purchase student incentives.
3. Funds will be used to purchase resources to maintain the campus facilities including custodial supplies.
4. A work order will be submitted for a fence to be installed in the front of the school and a covered walkway to the blacktop area to provide safety on rainy day dismissals.

To best support campus efforts and meet identified needs at the District and Campus level; activities, resources, and implementation timelines related to School Culture and Climate are set forth in all sections of the 2016-2017 Campus Improvement Plan.

School Culture and Climate Strengths

- There is parent confidence on the school's vision
- Staff morale is high
- Safe environment
- Fabulous Friday to motivate students
- Continuous Parental Involvement

School Culture and Climate Needs

- A secure fence to the front of the school for student safety is needed.
- A Parent Liaison is stationed on campus to organize parent activities and check on attendance.
- A School nurse is stationed on campus daily for all health concerns.
- Updated supplemental instructional resources for campus/facility corresponding to TEKS/STAAR
- More Parent Activities (Weekly parent trainings on multiple topics including STAAR, Fluency, SPED, TLI)
- Positive recognition for good behavior ("Fabulous Friday", popcorn parties, awards ceremonies, morning trivia awards)

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following Staff Quality, Recruitment and Retention areas of improvement would be addressed:

1. Continue with current practices to keep teacher abreast of the most recent best practices and strategies.
2. Use funds to hire substitute teachers so that the teachers can attend staff development.
3. Use funds to send administrators to seminars, trainings and assessments conferences out of district.

To best support campus efforts and meet identified needs at the District and Campus level; activities, resources, and implementation timelines related to Staff Quality, Recruitment and Retention are set forth in all sections of the 2016-2017 Campus Improvement Plan.

Staff Quality, Recruitment, and Retention Strengths

- Teachers are highly qualified and experienced
- Teacher retention is almost 100%

Staff Quality, Recruitment, and Retention Needs

- Maintain a high morale with the staff by showing appreciation throughout the year (Provide snacks at all GL and staff meetings, "Staff of the week", Holiday luncheons)
- Provide on-going staff development to address Benchmark results and strategies, TLI strategies, STAAR focus TEKS.

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following Curriculum, Instruction and Assessment areas of improvement would be addressed:

1. Professional Development
2. STAAR resources
3. Online curriculum: Living with Science

To best support campus efforts and meet identified needs at the District and Campus level; activities, resources, and implementation timelines related to Curriculum, Instruction and Assessment are set forth in all sections of the 2016-2017 Campus Improvement Plan.

Curriculum, Instruction, and Assessment Strengths

- Students are high performers
- Teachers attend staff developments
- Assess regularly throughout the year with benchmarking and analyze data

Curriculum, Instruction, and Assessment Needs

- Horizontal/Vertical alignment planning sessions are needed to prepare for STAAR rigor by having grade level meetings to analyze data (BM, previous STAAR) and develop strategies for improving student performance.
- Embed DOK in daily lessons, weekly tests and benchmarks
- Extended day tutorials will be implemented for all AR students
- Supplemental instructional supplies will be provided to ensure student achievement is accomplished.

- The campus will attract highly qualified teachers by providing high-quality professional development, stipends for lead teachers and curriculum development, and other incentives.

Family and Community Involvement

Family and Community Involvement Summary

After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following Family and Community areas of improvement would be addressed

1. Parental meetings that meet the needs/interests of parents, and address positive and negative situations
2. Parent/teacher communication log
3. MIA Log (kept by parent liaison)
4. Parent liaison will conduct home visits as necessary throughout the school year

To best support campus efforts and meet identified needs at the District and Campus level; activities, resources, and implementation timelines related to Family and Community Involvement are set forth in the Parent and Community section of the 2016-2017 Campus Improvement Plan.

Family and Community Involvement Strengths

- Morningside has a parent center
- Parental meetings take place weekly

Family and Community Involvement Needs

- Teachers will communicate with parents throughout the year to address positive and negative situations. Therefore, parent/teacher communication will be increased. (6.1.11)
- Improve communication between home and school through parental meetings that meet the needs and interests of parents (6.1.1, 6.1.2, 6.1.10)
- Increase level of parental support through weekly meetings and parent trainings. (6.1.10)
- Refreshments will be provided at weekly parent meetings (6.9)

School Context and Organization

School Context and Organization Summary

After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following School Context and Organization areas of improvement would be addressed:

1. Classrooms need white boards
2. Projectors needed in all classrooms for delivery of instruction
3. To continue to provide instructional and general supplies such as ink cartridges, duplicating paper, markers, pens, tape and staples for faculty for usage in the classroom for students.

To best support campus efforts and meet identified needs at the District and Campus level; activities, resources, and implementation timelines related to School Context and and Organization are set forth in all sections of the 2016-2017 Campus Improvement Plan.

School Context and Organization Strengths

- Facilities are well maintained
- Butterfly garden
- Parking lot is well maintained
- Morning traffic flow

School Context and Organization Needs

- Classrooms need white boards for delivery of instruction in all grade levels
- Projectors needed in all classrooms for instruction
- Media center will be utilized for to help meet student instructional needs

Technology

Technology Summary

After thorough review of multiple data sources, the SBDM Committee assessed program effectiveness and determined that through the collaboration of various campus resources and community entities the following Technology areas of improvement would be addressed. BISD provides a wide variety of instructional technology trainings throughout the year. The facilitator will assign these trainings to teachers from all grade levels to ensure quality technology-based instruction during the 2016-2017 school year.

Technology Strengths

- Computer access for students in all classrooms
- Compass / Science Lab
- Smart Boards in room and available to be checked out from library
- TST Teacher on campus
- Use of website and eSchool Plus among administration and parents to view students' progress

Technology Needs

- Increased accessibility to computers for all students for instructional technology for use with campus and District instructional technology programs (TTM, iStation, LWS).
- Increase integration of technology into classroom instruction through purchase of laptops (5th grade COWs in every classroom) and scheduled computer lab time.
- Teachers need to attend more professional development on different programs to be utilized by teachers/students. Training on these programs will be provided through continuous professional development opportunities offered by the District throughout the 2014-2015 school year, as offered through the District technology department on a weekly basis.
- Updated models of computers to keep up with demands of more enhanced software are needed for delivery of instruction.

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- Campus goals
- Campus and/or district planning and decision making committee(s) meeting data

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Performance Index Framework Data: Index 1 - Student Achievement
- Performance Index Framework Data: Index 2 - Student Progress
- Performance Index Framework Data: Index 3 - Closing Performance Gaps
- Performance Index Framework Data: Index 4 - Postsecondary Readiness
- System Safeguards and Texas Accountability Intervention System (TAIS) data
- Critical Success Factor(s) data
- Accountability Distinction Designations
- Federal Report Card Data
- PBMAS data
- Community and student engagement rating data
- Annual Measurable Achievement Objectives (AMAO) data

Student Data: Assessments

- State and federally required assessment information (e.g. curriculum, eligibility, format, standards, accommodations, TEA information)
- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR Released Test Questions
- STAAR ELL Progress Measure data
- Texas English Language Proficiency Assessment System (TELPAS) results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Texas Success Initiative (TSI) data for postsecondary/college-ready graduates data
- Student Success Initiative (SSI) data for Grades 5 and 8
- SSI: Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)
- SSI: Think Through Math assessment data for Grades 3-8 and Algebra I (TEA approved statewide license)
- Student failure and/or retention rates

Student Data: Behavior and Other Indicators

- Attendance data

Goals

Goal 1: BISD students will receive educational opportunities that will produce well-rounded graduates who are prepared for the future, are college/career ready, and are responsible, independent citizens.

Performance Objective 1: 90% or more of students and all student groups will meet or exceed the minimum passing standard of all parts of the STAAR Reading, Math, Science and Writing assessments, and an Advanced Level Performance Rate will be no less than 40%.

Morningside will meet AYP/NCLB accountability standards and mandates.

Summative Evaluation: STAAR testing results in Index 1 will be used to determine mastery of assessed objectives

Strategy Description	Title I	Staff Responsible for Monitoring	Evidence that Demonstrates Success	Formative Reviews			
				Nov	Jan	Apr	June
<p>State System Safeguard Strategy Federal System Safeguard Strategy</p> <p>Critical Success Factors CSF 1 CSF 4</p> <p>1) Instruction by highly qualified teachers will be provided to students who are not meeting reading/writing standards. 3rd - 5th grade students not meeting reading/writing standards will be provided an extended day/week program to meet State and District accountability standards. Population: TI; MI; LEP; SPED; AR; GT; DYS students Timeline: Tutorials on Tuesday, Wednesday and Thursday from 10/16 to 4/17 CNA pgs 24 and 27</p>	1, 2, 9, 10	Administrative Staff Teachers Special Ed. Support Team	Formative: Walk-throughs, Attendance Records, Student Progress Reports Meeting ARD Expectations, Benchmarks Summative: STAAR Scores, TPRI/Tejas LEE scores, NRT Assessments				
Funding Sources: Federal Bilingual - \$3509.00, Title I-A - \$1400.00, State Bilingual							
<p>2) Integrating technology to our classrooms will help teachers to better implement their District curriculum so that students will meet their grade level expectations. Technology based educational programs include Think Through Math, iStation, and Living with Science. A Living With Science lab will be provided for all students. Population: TI; MI; LEP; AR; DYS students Timeline: Daily Aug 2016-June 2017 CNA pgs. 7, 28</p>	2, 3, 5, 9	Administrative Staff, Technology Teacher, Teachers, District Computer Specialists Administrator for State Compensatory Education	Formative: Lesson plans, classroom observations, student progress reports, software usage reports, benchmark scores Summative: STAAR results, report cards, TPRI/TEJAS LEE results				
Funding Sources: State Compensatory - \$1400.00							

<p>3) Provide high quality professional staff development and methodologies to address deficiencies in the STAAR or TPRI/TEJAS LEE and Standford 10 for all grade levels. Staff development will focus on the all areas tested: Reading, Writing, Math, and Science. Certified employees will travel for Professional Development opportunities as necessary.</p> <p>Population: TI; MI; LEP; AR; DYS teachers</p> <p>Timeline: Daily Aug 2016-June 2017</p> <p>CNA pg. 26</p>	2, 5	Teachers Principal Dean of Instruction Assistant Principal TLI Teacher Specialist	Formative: increased scores at Phase I, II, and III in benchmarks Summative: STAAR Assessments, TPRI/TEJAS LEE results				
Funding Sources: Title I-A - \$2975.00							
<p>4) Teachers in PK - 5th will work collaboratively to align classroom instruction (TEKS/STAAR) with scope and sequence and assessment in order to help students attain grade level achievement. Teachers will be included in decisions regarding the use and selection of academic assessments in order to implement new instructional strategies and/or change and modify existing instructional strategies to meet students' needs. Supplemental instructional materials, including STAAR based supplemental books for the classroom and additional reading materials for the campus, will be purchased to support the curriculum, for all students on campus including regular education, SPED, and ELL.</p> <p>Population: TI; MI; LEP; AR; DYS students</p> <p>Timeline: Daily Aug 2016-June 2017</p> <p>CNA pg. 24</p>	5, 8	Administrative Team Teachers Support Staff Special Ed. Support Team District Curriculum Specialist	Formative: Benchmarks scores, progress reports Summative: STAAR scores, TPRI/TEJAS LEE scores, TELPAS scores				
Funding Sources: State Bilingual - \$2065.00, TLI - \$7164.00, Title I-A - \$23458.00							
<p>5) PK - 5th Teachers will implement research based and effective instruction techniques with the use of available resources such as computers, laptops and projectors to improve students' reading and writing skills. The media center will be utilized to print instructional material for the students</p> <p>Population: TI; MI; LEP; AR; DYS students</p> <p>Timeline: Daily Aug 2016-June 2017</p> <p>CNA pg. 26 and 30</p>	1, 2	Administrative Staff Teachers Support Staff Special Ed. Support Team	Formative: Benchmarks, progress reports, walk-throughs, lesson plans Summative: TPRI/TEJAS LEE results, STAAR scores, NRT Assessments, report cards				
Funding Sources: Title I-A - \$8033.00, Title I-A - \$2000.00							

<p>6) PK-5th grade teachers will be provided with instructional materials, including supplies, projector light bulbs, white boards, ink cartridges, markers, online curriculum subscriptions, STAAR resources, and capital outlay equipment, including projectors, laptops, Dell external DVD players, and USB drives in order to provide teachers and students with adequate resources to improve student academic performance. Additional general supplies will include a refrigerator and furniture for use by faculty, staff and parents during campus meetings. Also, duplicating paper will be purchased to provide additional handouts, worksheets, homework assignments, and tutorial materials for students to extend learning.</p> <p>Population: TI; MI; LEP; AR; DYS students Timeline: Daily Aug 2016-June 2017 CNA pg. 24</p>	1, 2	Principal, Dean of Instruction	<p>Formative: Benchmarks, progress reports</p> <p>Summative: STAAR Scores, Report Cards, TPRI/Tejas LEE scores</p>				
<p>Funding Sources: Title I-A - \$456.00, Title I-A - \$4000.00, State Compensatory - \$1000.00, Federal Bilingual - \$2000.00, State Compensatory - \$2000.00, State Compensatory - \$5300.00, State Compensatory - \$17000.00, Title I-A - \$500.00, Title I-A - \$500.00</p>							
<p>7) Bilingual students will be monitored to ensure that the English language acquisition is taking place through: TELPAS, SELP, Stanford; English STAAR, TPRI assessments. ELPS Strategies implemented in the daily lesson taught in order to have LEP students achieve grade level performance.</p> <p>Population: ELL students Timeline: Daily Aug 2016-June 2017 CNA pg. 6</p>	1	Administrative Staff Teachers	<p>Formative: ELL writing portfolio, RAPS 360, Benchmarks</p> <p>Summative: Telpas scores, STAAR Scores, Meeting ARD Expectations, TPRI/Tejas Lee scores, NRT Assessments</p>				
<p>8) Students' progress will be monitored in order to meet or exceed all local, state and federal accountability standards. To ensure continuous monitoring, Pre-K - 2nd paraprofessionals will assist teachers/students on a daily basis with core instructional areas in order to improve instruction.</p> <p>Population: All students Timeline: Daily Aug 2016-June 2017 CNA pg. 10</p>	1	Administrative Team Teachers Support Staff Special Ed. Support Team Paraprofessionals	<p>Formative: Benchmarks, progress report</p> <p>Summative: STAAR Scores, Meeting ARD Expectations, TPRI/Tejas Lee scores, NRT Assessments, Perform satisfactorily on kindergarten readiness test, Meet AYP</p>				
<p>Funding Sources: Title I-A - \$126500.00</p>							
<p>9) Students will develop inquiry based, higher order thinking and problem solving skills in order to achieve grade level mastery through a variety of instructional techniques, including technology-based programs such as TTM and iStation.</p> <p>Population: All students Timeline: Daily Aug. 2016-June 2017 CNA pg. 31</p>	1	Administrative Team Teachers Support Staff Special Ed. Support Team	<p>Formative: Student Projects, benchmarks, progress reports</p> <p>Summative: STAAR Scores, Meeting ARD Expectations, Benchmarks, NRT Assessments, Perform satisfactorily on kindergarten math readiness test, Meet AYP</p>

Goal 8: Our vision for technology is to have all district stakeholders involved in the teaching and learning process seamlessly integrate technology to make informed decisions and advance student achievement and technology literacy to encourage and support creative, innovative, lifelong learning.

Performance Objective 1: Morningside will increase the percentage of resources provided to students to develop technology skills and activities that requires technology as appropriate to their grade level abilities.

Summative Evaluation: Morningside will monitor increased usage of technology through computer based programs such as TTM, iStation, and Living With Science. Usage reports will reflect an increase in time spent per student as compared to last year.

Strategy Description	Title I	Staff Responsible for Monitoring	Evidence that Demonstrates Success	Formative Reviews			
				Nov	Jan	Apr	June
<p>Critical Success Factors CSF 1 CSF 2</p> <p>1) Integrating technology to our PK-5th grade classrooms will help teachers to better implement their scope and sequence into their lesson plans so that students will meet their grade level expectations. TECH based instruction will be provided to reinforce students skills. Besides educational websites, students will also use Riverdeep and Study Island in the classroom as well as in the lab for enrichment. Timeline: August 2016-June 2017</p>	2	Administrative Staff, Technology Teacher, Teachers, District Computer Specialists	Pre/Post Testing, STAAR Scores, Meeting ARD Expectations.				
<p>Critical Success Factors CSF 1</p> <p>2) Students will be taught technology TEKS using a computer and/or internet as appropriate to grade level throughout the year. Students will apply computer literacy strategies to assist with online testing. Title I

Schoolwide Program Plan

Morningside Elementary School-Wide Program Plan

Federal requirements for campus planning mandate that schools develop a school wide program plan that includes all of the ten required components. The following ten components of a school wide program are embedded within the campus improvement plan and its activities.

Morningside Elementary School uses its Title I, State Compensatory and other funds to upgrade the entire instructional program by implementing school-wide programs as authorized under the provisions of Public Law 107-110, Section 1114.

Ten Schoolwide Components

1: Comprehensive Needs Assessment

The Site-Based Decision-Making (SBDM) Committee conducted a comprehensive needs assessment (CNA pgs. 8-31) over a period of one year to determine the strengths and needs of students, staff, parental & community involvement, and facilities before deciding how to use available local, state, and federal budget allocations. Based on the CNA, the committee decided to concentrate on improving the passing rate of all students and student groups including Migrant, Bilingual, At-Risk, Dyslexia, GT, Title I, and Special Education on state assessments. The goal is to have 90 percent of all students and all student groups passing all parts of state mandated assessments for the 2014-2015 and to increase the commended performance level in all content areas.

2: Schoolwide Reform Strategies

To accomplish these objectives listed in the comprehensive needs assessment, the staff will use the budgeted funds to implement school-wide reform strategies that provide opportunities for all children to meet the State's proficient and advanced levels of academic performance, use effective methods and instructional strategies that are established on scientifically based research that (1) strengthen the core academic program; (2) increase the amount and quality of learning time, including the funding of an after-school tutorial/ summer school/ enrichment program, for students who are At-Risk and in need of continuity in their instructional program to be successful in the succeeding school year; (3) include strategies for meeting the educational needs of historically underserved populations; (4) include strategies to address the needs of all children in school, particularly the needs of low-achieving students, At-Risk, or not meeting the State student academic achievement standards; (5) address how the school will determine if such needs have been met; and (6) are consistent with and are designed to implement the State and local improvements plans. (Activities 1.1, 1.2, 1.3, 3.1)

3: Instruction by highly qualified professional teachers

Highly-qualified teachers will carry out the instructional program. **Instruction by highly qualified teachers will be provided for students who are not meeting reading/writing standards.** Only teachers who are certified and who have met state testing requirements to teach the subjects/grade levels to which they are assigned will be hired by the school. In emergency situations, the school will consider teachers who have alternative certification. In addition to appropriate certification, teachers will be sought who are experienced and have been successful in previous assignments. The District also pays stipends for attainment of a Master's Degree, being a TST (Technology Support Teacher), core academic professional development, bilingual, and special education positions.(Activities #1.1, 1.2, 1.3)

4: High-quality and ongoing professional development for teachers, principals, and paraprofessionals and, if appropriate, student services personnel, parents, and other staff

The school will provide access to high-quality ongoing professional development throughout the school year for all staff including teachers, principals, and paraprofessionals. Professional development activities will be geared to support teachers in implementing the curriculum and staying abreast of STAAR testing. (Activity #1.3)

5: Strategies to attract highly qualified teachers

In order to attract highly qualified teachers, the school will provide access to high-quality ongoing professional development throughout the school year for all staff including teachers, principals, and paraprofessionals. Professional development activities will be geared to support teachers in implementing the curriculum and staying abreast of STAAR testing. (Activities 1.21)

6: Strategies to increase parental involvement

In order to increase parental involvement, Title I, Part A funds will be used to partially finance strategies to increase parental involvement at the school including the parent workroom and to purchase special materials used in the parent volunteer program. Parent education will be provided to parents by the campus parent liaison as well as the District's Parental involvement Center. Parent training on how to help their students be successful at home, learning English, discipline management, and parenting skills will be provided to those parents who want to better meet the rigors of parenting. Morningside will be more conscience of what the interests are for our parents and try to accommodate them. (Activities 6.1, 6.5, 6.6)

7: Plans for assisting preschool children in the transition from early childhood programs to elementary school programs

An orientation for preschool children from Head Start to assist with the transition to Morningside will be held annually in the Spring **and** for 5th grade students and their parents to assist with the transition into middle school. (Activity 1.19)

8: Measures to include teachers in the decisions regarding the use of academic assessments in order to improve the achievement of individual students and the overall instructional program

Teachers will be included in decisions regarding the use and selection of academic assessments to measure student performance. Teachers will use data obtained from state assessments as well as other instruments, including but not limited to the SELP/SSLP, TELPAS, and benchmark tests, to implement new instructional strategies, modify existing strategies and/or discontinue existing strategies to better address student needs as determined by use of these instruments. (Activities 1.2, 1.5. 1.6)

9: Activities to ensure effective timely assistance for students who experience difficulty mastering the proficient or advanced levels of academic achievement standards

Students experiencing difficulty in mastering the TEKS will be provided effective, timely additional assistance. All teachers will closely monitor all students' performance based on daily exercises and periodic tests. Students not mastering the objectives will be provided additional assistance in the after school tutorial program and/or enrichment courses based on his/her individual needs. Response to Intervention is being implemented to ensure student success. (Activities 1.7, 1.8, 1.10 1.12)

10: Coordination and integration of federal, state and local services and programs

Morningside Elementary will coordinate and integrate federal, state, and local programs and services to maximize the effectiveness of these resources. Several of the strategies being implemented are jointly funded with Title 1 funds along with Local, State Compensatory Education, State Bilingual, State Special Education, and are used for many activities including professional development activities purchase of supplemental instructional materials, media, and library resources used to improve and enhance the overall program.

Morningside Elementary will provide the state mandated State Compensatory Education Program through funded initiatives including after school tutorials starting September 15, 2014. Tutorials will be every Tuesday and Wednesday for the first school semester, and will increase to Tuesday-Thursday for the remainder of the school year beginning January 6th, 2015. Additional Saturday tutorials will be scheduled beginning on March 21, 2015. Morningside elementary will also use the State Compensatory funds to purchase supplemental instructional materials and instructional programs such as Living with Science. (Activities 1.1, 1.2, 1.4, 3.1)
