Brownsville Independent School District

Do you need a reason
to get involved?

We have
over
48,000
of them.

**THE ADOPT-A-SCHOOL
PROGRAM**

**A partnership between the
Brownsville community
and public schools**

Who benefits when my business or civic group participates in the BISD Adopt-A-School Program?

Educating everyone takes everyone! The BISD Adopt-A-School Program encourages local organizations and businesses to share responsibility for providing a quality education.

Teachers and administrators need the support of individual partners from business and industry to help develop tomorrow's productive citizens. A strong partnership between schools and the private sector helps produce students who are knowledgeable consumers, skilled workers, and conscientious business leaders.

A commitment to schools from the business community doesn't have to cost a lot in time or money but such partnerships yield priceless dividends. Adopt-A-School partners gain a vested interest in seeing that tax dollars are well spent and all students receive a good education.

“Never underestimate the benefits derived from helping students.

We gain so much more than we give.”

Fred Rusteberg, President

IBC Bank

How can my business or civic group become a partner?

It's easy. All it takes is a commitment to play a role in the development of our children.

Business partners are asked to sign a one-year contract with an individual school campus. The Adopt-A-School contract addresses specific needs and abilities of both the school and the business. Interactive activities are developed to enhance both partners.

Here are a few of the many businesses that have adopted BISD campuses over the years:

Chick-Fil-A Restaurant
Church's Chicken of Brownsville
Gladys Porter Zoo
Golden Corral Restaurant
H-E-B Food Stores
Herman's Wholesale Optical
IBC Bank
Jack-In-The-Box
Linda's Cake Shop
Lopez Super Markets
Luke Fruia Motors
McDonald's
Peter Piper Pizza
Pizza Hut
Popeyes Famous Fried Chicken & Biscuits
Rosenbaum Flowers & Gifts
Sam's Club
Star's Drive In
Target Stores
Wal-Mart Stores
Wendy's Old Fashioned Hamburgers
Whataburger Restaurants

Once we've entered a partnership, which activities help schools the most?

Participation in the BISD Adopt-A-School Program can be something your employees or civic group can enjoy doing together. Activities include:

- Providing materials, supplies and equipment to a campus or classroom.
- Sponsoring a special interest club, project, or activity.
- Rewarding students for good grades or attendance.
- Establishing a tutorial program using employees or club members.
- Developing contests, incentives, or scholarships.
- Scheduling field trips to your place of business.
- Demonstrating an individual talent.
- Furnishing career speakers.
- Creating leadership development experiences.
- Displaying student work in your workplace.
- Promoting new programs and learning materials with real world application.
- Donating supplies and clothes to needy students.

“A small incentive is never enough...but many times that small incentive is what keeps students actively involved in their education-the true reward....”

Linda Gomez, Owner

Linda's Cake Shop
