

Brownsville Independent School District

WellNet Interactive Health Management is adding confidential care management service as a component of BISD's new wellness initiative for employees and dependents insured by MAA.

Our Registered Nurse Care Manager is located right in BISD to help you stay on track with your Doctor's prescribed treatment plan. The Care Manager serves as a personal healthcare advocate to help coordinate healthcare related services, and provide support and information to help our employees and dependents manage such conditions as diabetes, high blood pressure, high cholesterol, heart disease, etc. and answer any healthcare related questions.

To make an appointment to visit with OR to speak with the Care Manager, please call:

Jana Garza, RN, BSN/Care Manager
Central Administrative Building (CAB), Suite 103
708 Palm Boulevard
(956) 698-2991

The Care Manager is also available to visit BISD campuses and departments.

All information shared with the Care Manager is strictly confidential and respectful of patient privacy regulations. BISD will have no access to member specific information.
