

ECHS Leadership Cabinet Meeting

AN EARLY COLLEGE DISTRICT

BROWNSVILLE

INDEPENDENT SCHOOL DISTRICT

Next Steps for ECHS Model Coherence

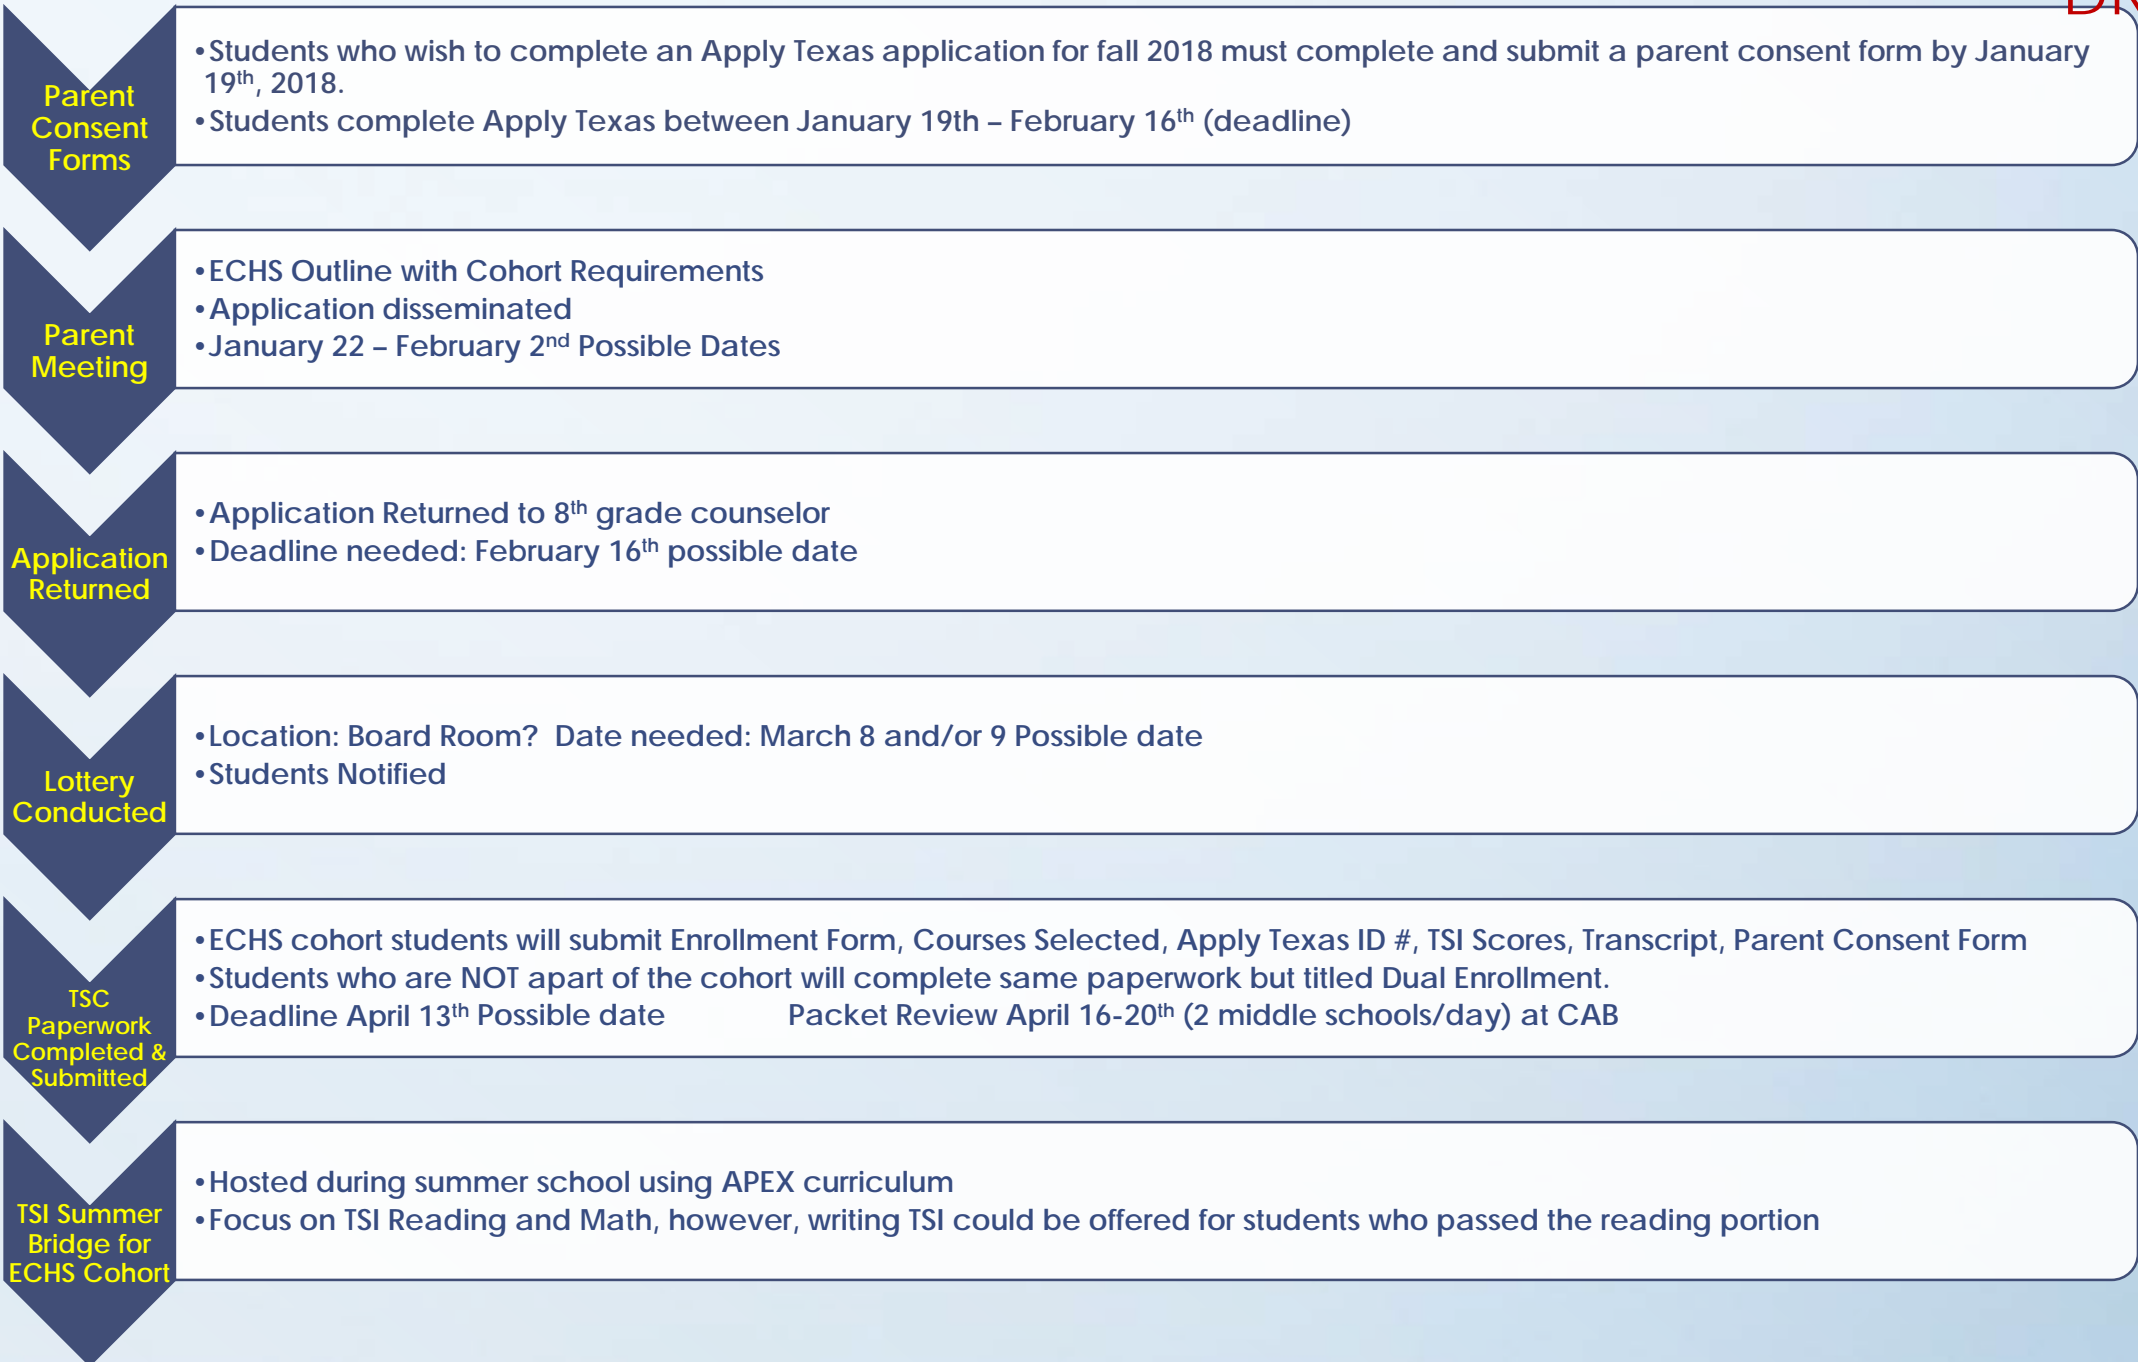

- Uniform master schedule district wide to allow for possible itinerant teacher flexibility.
- Summer school courses geared toward students behind their cohort or lacking a course due to campus offerings.
- Cohort size (recommended 100-120) consistent across district
- Weighted lottery system conducted with support from PEIMS and IT

Weighted Lottery System

- Each student completes the ECHS application pre-slugged with PEIMS data indicating:
 - At Risk
 - Hispanic
 - African American
 - Economically Disadvantaged
 - Male/Female

Each student will be assigned a weighted number based on the demographic indicators met.

** PEIMS does not currently track first generation college goers so the application will ask if the child's parents hold a college degree.
