2015-16 School Report Card

This search will produce the School Report Card for a selected school in a print-ready PDF format. If you are interested in generating PDF reports for all the schools in a district at one time, see [All School Report Cards by District](#). For further information, please access the [Letter to Superintendents](#).

1. How do you wish to search?

- Campus Name (full or partial name)
- Campus Number
- Campus by District Name (full or partial name)
- Campus by County Name (full or partial name)
- Campus by Region Number

Step 1: Click on Campus Name

2. Enter the appropriate name or number:

When entering the school name, do not include the type of school (EL, JR, HS). For example, enter Travis, not Travis EL.
When entering the district name, do not include the type of district (ISD, CISD). For example, enter Houston, not Houston ISD.
When entering the county name, do not include the word *county*.
When entering the region number, use two digits. For example, enter 03 for region 3.
Do not use commas, apostrophes, periods or other symbols when entering text, as this may result in an error.

Enter name or number:
