This month we read the book "*The Dot*", and used the app *Quiver* to create our own dot. *Quiver* allowed our dot to come alive and students had a blast changing it up.

In honor of Hispanic Heritage month, we read the book "*Federico and the Wolf*" and made our very own papel picado to decorate the library. We also read "*Alma and how she got her name*" and chose a new name for ourselves.

Del Castillo Library

September Activities:

September has been a busy month! Between library renovations, and technology distributions we have been learning a lot in our library classes. We kicked off the start of AR by going over how to take a test. I have been promoting Library Card Sign up Month to the students. We've also been learning about the constitution, 9/11, Grandparents Day, different types of Art, Hispanic Heritage and Johnny Appleseed. This week we kicked off our Fall Book Fair which has students really excited!

Our library is being renovated. We look forward to the big reveal very soon. In the meantime, you can find us in C144.

The Lobo Reading Pack held their first meeting on September 22nd during Lunches A & B. We selected our first reading selection, Little Pills by Melody Dodds. Our next meeting will be Wednesday, October 13th.
