Introduction

All public schools must report data to the Texas Education Agency through the Public Education Information System (PEIMS). This document provides guidance on how and where to enter PEIMS data into eSchoolPLUS.

Campuses are responsible for maintaining their campus PEIMS data. Prior to PEIMS submission the campus data quality team will have the opportunity to review their PEIMS data. Each PEIMS submission requires data to be entered into eSchoolPLUS by a specific timeline. Timelines are provided by the PEIMS Department at the beginning of the school year for the Fall PEIMS collection and again for the PEIMS Summer Submission. To ensure a timely PEIMS submission data must be entered by the specified timelines.

PEIMS Data Collections

- **Fall Collection** represents the state of the district as of the last Friday in October, which is **October 30, 2020 (Snapshot Date)**. Districts are required to report all students served and staff employed on the snapshot date with the exception of leavers (see below).
 - Leaver data exception – students served in the prior school year grades 7-12 who have not returned the following school year by **September 25, 2020(End of School Start Window)** are reported to PEIMS.
- **Summer Collection** is the Y-T-D collection of student attendance, course completion, discipline, classes, child restraints and teacher class assignments.

District-Defined PEIMS Demographic vs. Programs

eSchoolPLUS has the ability to enter PEIMS Special Program Data in two different ways:

1. District-Defined PEIMS Screens – this screen shows **ONLY CURRENT YEAR STATUS** of the students PEIMS Special Program Data
Navigating Path: Search Student → Menu → Registration → Entry & Reports → Student District Defined → District-Defined PEIMS Demographic
2. Programs Screens – the Programs screens shows **ALL HISTORICAL** PEIMS Special Program Data
Navigating Path: Search Student → Menu → Registration → Entry & Reports → Student Demographic → Programs

Avoiding Discrepancies with Identification data

Districts are responsible for reporting accurate student's identification information. Student identification information includes; the student's **First Name, Middle Name, Last Name, Generation, Gender and Date of Birth (Birthdate)**. Data must be reported consistently when a student moves from one Texas public and/or charter school. It is the campuses responsibility to report all discrepancies in the students identification data to the PEIMS office. All discrepancies must be reviewed and corrected prior to each PEIMS submission. Discrepancies in student identification data must be reported to the PEIMS office by completing and submitting a PEIMS Demographic Change form. The PEIMS office will review and make the appropriate correction in eSchoolPLUS and TSDS. It is important that you **DO NOT make the correction in eSchoolPLUS.**

STUDENT ID (Six/Seven Digit Local Id is Auto Generated)

STUDENT NAME (From Birth Certificate*)

Texas Education Code (TEC §25.0021) states that a Texas public school student must be identified by his or her legal surname. Legal name is obtained from the birth certificate or other acceptable* alternate document; driver's license; passport; school identification card, record, or report card; military identification; hospital birth record; adoption record; church baptismal record; court-ordered legal name change documentation; or any other legal document that establishes identity.

The name entered must match the birth certificate exactly as shown. "Double" last names on the birth certificate are recorded exactly as shown. Each name on the birth certificate appears in one of the PEIMS name fields. If the birth certificate name cannot be understood completely, the parent is asked to clarify. The Enrollment Tracking search function on TSDS enables districts to obtain student demographic data.

FIRST NAME (From Birth Certificate)

Navigating Path: Search Student → Menu → Registration → Entry & Reports → Student Demographic

→ Registration → First Name

Description: identifies a person's legal first name.

Do not use an initial, unless an initial is the legal first name.

Do not use periods. Do not use any punctuation other than a hyphen or a single apostrophe and only if shown on the birth certificate.

MIDDLE NAME (From Birth Certificate if Applicable)

Navigating Path: Search Student → Menu → Registration → Entry & Reports → Student Demographic → Registration → Middle Name

Description: identifies a person's legal middle name

For students, enter the middle name as shown on the identification documentation. If the student has **no middle** name, **the field must be left blank**. Do not use any other text such as NONE, NA, NMI, etc... for the middle name if the student has no middle name. Do not use periods or any other punctuation other than a hyphen or a single apostrophe.

LAST NAME (From Birth Certificate)

Navigating Path: Search Student → Menu → Registration → Entry & Reports → Student Demographic → Registration → Last Name

Do not use periods. Do not use any punctuation other than a hyphen or a single apostrophe.

GENERATION (From Birth Certificate, when applicable)

Navigating Path: Search Student → Menu → Registration → Entry & Reports → Student Demographic → Registration → Generation

Description: identifies the generation suffix, if any, which the person attaches to his name, which **may be blank if the student does not have a generation suffix** on their name based upon the identification documentation.

GENDER (From Birth Certificate)

Navigating Path: Search Student → Menu → Registration → Entry & Reports → Student Demographic → Registration → Gender

DATE OF BIRTH (Birthdate) (From Birth Certificate)

Navigating Path: Search Student → Menu → Registration → Entry & Reports → Student Demographic → Registration → Birthdate

Description: Indicates the month, day, and year of the person's birth.

STUDENT ID (SSN or State Alternate ID)

Navigating Path: Search Student → Menu → Registration → Entry & Reports → Student Demographic → Personal → Social Security Number or State ID("S" number) & Unique ID

The first character of STUDENT-ID must be "S" or "0"- "8".

Description: Indicates the student's Social Security number OR a state-approved alternate identification number beginning with the letter 'S'.

Every effort should be made to obtain the student's SSN. For previously enrolled students with no record of an SSN, the school district should request the student's SSN at the beginning of each school year.

When available, the student's Social Security number should be used. If this number is not available, submit a 'PEIMS Demographic Change Form' to request a State Alternate Id. Once the form is submitted to the PEIMS Office, the PEIMS office will assign and enter into eSchoolPLUS a State Alternate Id.

If the students sending Texas district has already assigned the student a State Alternate Id, enter that State Alternate id into eSchoolPLUS. If the parent presents a social security card submit a 'PEIMS Demographic Change form' to the PEIMS office. Once the PEIMS office receive the PEIMS Demographic Change From, the PEIMS office will make the change in eSchoolPLUS and update TSDS accordingly.

Unique ID – the unique id for the student is maintained by the PEIMS Department

ADA ELIGIBILITY CODE

Refer to Student Attendance Accounting Procedures. ADA Indicates the eligibility status of the student. This code is entered and maintained by the campus. Campuses must update each time a student's ADA changes.

STEPS to take to ADD a student's ADA code:

1. Search for Student
2. Add ADA as follows: *Navigating Path: Menu → Registration → Entry & Reports → Student Demographics → Programs → 146 PEIMS Demographics (Programs)*
3. Scroll down to ADA Eligibility and select ADA code & enter "Start Date" same as "Entry Date"
4. Click SAVE

The screenshot shows a web interface for 'PEIMS Demographics (Program)'. At the top right, there is a yellow button labeled 'Unsaved Changes'. Below the header, there is a table with columns: Actions, Program, Value, Start Date, End Date, and a trash icon. The table contains several rows: 'Campus ID of Residence', 'Campus ID of Accountability', 'Migrant Indicator', and 'ADA Eligibility'. The 'ADA Eligibility' row is highlighted in yellow and has a red border. The 'Value' column for 'ADA Eligibility' contains '1 - Eligible For Full Day Attendance' with a dropdown arrow and a close button. The 'Start Date' column contains '08/14/2019'.

Actions	Program	Value	Start Date	End Date	
	Campus ID of Residence	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="checkbox"/>
	Campus ID of Accountability	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="checkbox"/>

<input type="checkbox"/>	ADA Eligibility	1 - Eligible For Full Day Attendance <input type="text"/>	08/14/2019	<input type="text"/>	<input type="checkbox"/>

If a student's ADA code changes through the school year, the student will need to be withdrawn and re-enrolled indicating a change in their AA coding with a new start date for both Enrollment and ADA.

STEPS to take when student's ADA code changes **throughout** the year:

1) **Withdraw** student first with Withdrawal Code WAA and the effective date of change and Keep Schedule Active:

1. Search for Student
2. Navigate as follows: *Menu* → *Registration* → *Entry & Reports* → *Student Demographics* → *Entry/Withdrawal* → *Current School Year vector*
3. Open Current School Year Vector
4. Enter Withdrawal Code of "WAA-Move within Dist"
5. Enter Withdrawal Date
6. Select "Keep Schedule Active" and add a comment for reference purposes.
7. Click SAVE

The screenshot shows the 'Entry/Withdrawal Details' form. The 'Enrollment' section on the left includes fields for School Year (2019-20), Building (111 - Sharp Elementary), Calendar (0 - Trad Full Day), Grade (04 - Fourth Grade), Entry Type (C - Current Year), Entry Code (EO - Within State Orig), and Entry Date (08/14/2019). The 'Withdrawal' section on the right has 'Withdrawal Code' set to 'WAA - Move Within Dist', 'Withdrawal Date' set to '09/10/2019', and the 'Keep Schedule Active' radio button selected. 4. Click SAVE

The screenshot shows the 'Entry/Withdrawal Details' form. The 'Enrollment' section on the left has the 'Entry Date' field highlighted with a red box, containing the date '09/10/2019'. The 'Withdrawal' section on the right is empty, and the 'Comments' section is also empty.

3. Update ADA code by closing vector with effective withdrawal date and re-open a new vector with new start date (same as withdrawal date):

1. Search for Student
2. Navigate as follows: *Menu* → *Registration* → *Entry & Reports* → *Student Demographics* → *Programs* → *146 PEIMS Demographics (Programs)*
3. Scroll down to ADA Eligibility and close with an end date

CAREER AND TECHNICAL EDUCATION IND CD The Career and Technical Indicator code is automatically populated by eSchool when students are enrolled in a CTE course. The CTE indicator code is reported to PEIMS during the Fall and Summer PEIMS Submission.

Contact Career & Technical Education department for questions regarding Career & Technical Education programs.

Beginning in the 2020-2021 school year, **TEA will Auto-Calculate** the appropriate Career and Technical (CTE) Indicator code(s) to assign to each student that does or does not participate in a CTE program. The data used for this calculation will include:

- course completion records from the PEIMS Summer submission.
- where the student's **Course Sequence Code is 0, 2, 5, or 9 and Pass/Fail Indicator is 1 or 0.**

The data will be stored to a table in TEA's main database that includes

- the calculated CTE Indicator
- Program of Study Indicator (as defined by CCMP division)
- Statewide or Regional Program of Study Indicator
- State Career Cluster ID and
- Federal Career Cluster ID.

**Information regarding Programs of Study or Career cluster can be found on the Career and Technical Education webpage <https://tea.texas.gov/academics/college-career-and-military-prep/career-and-technical-education>.

ECONOMIC DISADVANTAGE STATUS

Students Economic Disadvantage status is PEIMS reportable and is collected and reported to PEIMS twice a year regardless if the student receives free meals. Econ Status is collected and reported during the Fall PEIMS submission and at the end of the year during the Summer PEIMS Submission. The NSLP lunch application will NO longer be permissible to determine a student's economic status for a campus participating in the Community Eligibility Program (CEP)

It will be the CEP campus responsibility to review the students economic status. The ONLY valid PEIMS economic code for students enrolled at a CEP campus will be either 00-Not Identified As Economically Disadvantaged, 01 – Eligible for Free Meals (RESERVED for Food & Nutrition Services ONLY) , 02 - Eligible for Reduced Meals (RESERVED for Food & Nutrition Services ONLY) and code 99 – Other Economic Disadvantage code.

**Navigating Path: Menu → Registration → Entry & Reports → Student Demographics

INPUTTING THE ECON STATUS CODE for CEP Campuses

The Econ Status coding for students who are directly certified will be taken care of by Food & Nutrition Services Department and will be coded with an Econ Status of 01-Eligible For Free Meals or 02 - Eligible for Reduced Meals. Since this information comes from the state, it is not necessary for you to enter code 01 or code 02; however, it will be necessary for CEP campus personnel to determine the economic disadvantaged status for all other students if necessary.

For any additional questions regarding the Community Eligibility Program (CEP), contact the Food & Nutrition Services Department.

Homeless & Unaccompanied Youth Coding (Entered and maintained by Homeless Youth Connections Project Personnel)

HOMELESS Status

Contact the district's Homeless Youth Project Personnel regarding the homeless and or Unaccompanied Youth program.

HOMELESS-STATUS-CODE is used to identify all the students that have experienced homelessness at some point during the school year. If a student is homeless, but later that school year enters into permanent housing, this status code should not be changed and should still indicate that the student **had been homeless**. For PEIMS reporting purposes, **all students identified as homeless in the Fall Snapshot must also be coded as homeless in the summer collection**. The homeless status of each student should be determined upon enrollment and at the start of each new school year. Additionally, every school district needs to have processes and procedures in place to help identify students who become homeless after enrollment or after the start of a new school year. The homeless status of each student **must be determined each year**.

UNACCOMPANIED-YOUTH-STATUS-CODE is to be used by all districts to identify and **report whether or not a homeless student is unaccompanied** (not in the physical custody of a parent or legal guardian), and if unaccompanied, whether or not they received services under the McKinney-Vento program at any time during the school year. The services may be direct services as outlined in the McKinney-Vento Act in Section 723, or indirect services such as those provided by a staff member whose position is funded with McKinney-Vento funds

All PEIMS reporting is based on the initial Nighttime Residence record for the year that identifies the student as homeless AND on the initial Homeless funding record for the year that identifies the student's Unaccompanied Youth Status. The applicable date range for each school year will be the Start Date and End Date of the current district calendar. Once a student has been identified as homeless for the school year, the homeless coding **MUST remain** in eSchoolPLUS for the entire school year. **DO NOT exit or remove** the homeless status!
