2020 – 2021 Revisions: Highlighted in Blue

All Instances	Update School Year, Page Numbers, Dates and Grammatical Errors
7-8	Update Bilingual & OLPT updates
7	Update Testing/TELPAS Alternate
10	New PFS Learning Academy
13-14	Update Gifted and Talented Program
19	Update Course Sequence Chart
20	New Math Sequence
26-28	Update Prerequisites
31	New Pre-Algebra Enrollment Criteria
43	New CTE Courses

GENERAL INFORMATION

The information herein is to serve as a guide in developing student schedules, master schedules, and other procedures related to the credit system. The Texas Education Agency publication, STATE BOARD OF EDUCATION, RULES FOR CURRICULUM, is the basic manual, which has been used in formulating the credit system for the Brownsville Middle Schools. This guide contains the following information:

1. Course prerequisites and general information
2. Courses approved for Brownsville Secondary Schools, grades 6, 7, and 8

Academic teaming at the middle school is implemented, so students can effectively receive on-level instruction in all areas. In the core subjects of Reading, English, Math, Science, and Social Studies, the Brownsville Independent School District is committed to meeting students' needs according to graduation plans and programs of study. To provide more students greater access to advance courses, which are prerequisites at the college level, the district is including more advanced courses in the Course Listing Guide. However, during the 2018 – 2019 school, projected enrollment, staffing patterns, and budgetary constraints will continue to determine whether or not courses are available during certain semesters and/or years. Student and parents need to consult with school administration and counselors when selecting electives. BISD will continue to aggressively research avenues, such as advanced placement, correspondence and online courses, etc. to meet students' academic needs.

Beginning in the 2014-2015 academic year, a school district must ensure each student upon entering ninth grade indicates in writing an endorsement which the student intends to earn. The five endorsements include STEM, Business & Industry, Public Services, Arts & Humanities, and Multidisciplinary Studies.

OUT OF DISTRICT STUDENTS

PLACEMENT OF OUT-OF-DISTRICT/STATE/COUNTRY STUDENTS

1. Successful completion of the five previous grades as per previous years U.S. school promotion criteria
2. Promotion is based on successful completion of the previous grade as per the District's promotion criteria.
3. Campus Administration or a designee will determine the appropriate grade level or appropriate sequence of courses for new students from outside the U.S. based on:
 - a. Completion of Primaria (Grades 1st – 6th) or Secundaria (Grades 7th – 9th) in Mexico or its equivalent from other countries, regardless of age and English proficiency; and
 - b. For students with little or no previous schooling*, the campus assignment will be based on their age:
 1. Less than 12 years old**.....Elementary Schools
 2. 12-14 Years old**.....Middle Schools
 3. 15 years old and over**.....High Schools

* "Little to no previous schooling" has been determined to mean three years or less; **the campus placement will be reviewed by the Curriculum and Instruction Department and Pupil Services.**

****The student's age shall be determined by the age on or before September 1 of the current school year.**

- c. Students, whose initial placement was at a Middle School campus, MAY NOT be remanded to an Elementary School campus by the receiving Middle School campus administration. By the same token, students whose initial placement by the campus administration has been to a High School campus, MAY NOT be remanded to a Middle School campus by the receiving High School campus administration.
 - d. The campus should evaluate the out of district transcripts and appropriately place a student in the appropriate grade level within 30 days of enrollment.
 - e. State law governing promotion/retention criteria states in section 28.021 of the Texas Education Code: "A student may be promoted **only** on the basis of academic achievement or demonstrated proficiency of the subject matter of the course or grade level."
4. Pupil Services will determine the zoned campus.

Returning Students from out of State

Placement of Returning students to BISD from out of State/Country

- a. Students with grade level completed in their home country will determine the grade placement upon returning to BISD;
- b. Students will be placed in the last grade not completed.
- c. Students with more than 3 years of educational gaps must follow the placement criteria detailed in letter B of the **PLACEMENT OF OUT-OF-DISTRICT/STATE/COUNTRY STUDENTS** section.

SPECIAL PROGRAMS

At-Risk students shall receive appropriate compensatory, intensive, or accelerated instructional services at the campus, which will enable the students to perform at grade level at the conclusion of the next regular school term. This may include supplemental foundation enrichment courses, tutorials, district-wide summer programs, and other scientifically research based interventions. Middle School campuses are to document accelerated instruction and/or interventions in the student's Grade Advancement Folder or in the Personal Graduation Plan (PGP).

ENGLISH LEARNERS (ELs)

LEP IMMIGRANT DEFINITION:

The term immigrant has three definitions approved by the Texas Education Agency. Each definition serves a unique purpose.

G-Immigrant Subgrant and Serving Immigrant Students

"Immigrant child or youth," which is defined in Section 3201(5) of the ESSA, refers to individuals who:

- (A) are age 3 through 21;
- (B) were not born in any State; and
- (C) have not been attending one or more schools in any or one or more States for more than 3 full academic years.

Brownsville Independent School District

Note that "State" is defined in section 3201(13) of the ESSA to include the 50 States, the District of Columbia, and Puerto Rico. Therefore, students born in Puerto Rico may not be included as "Immigrant" students under Title III.

English as Second Language (ESL) Program

§89.1201 Policy

(c) The goal of English as a Second Language Programs shall be to enable English Learner to become competent in the listening, speaking, reading, and writing in the English language through the integrated use of second language acquisition methods. The ESL program shall emphasize the mastery of English language skills, as well as mathematics, science and social studies, as integral parts of the academic goals for all students to enable limited English Learners to participate equitably in school.

(d) English as a Second Language Programs shall be integral parts of the total school program. Such programs shall use instructional approaches designed to meet the specific language needs of English Learners. The basic curriculum content of the programs shall be based on the Texas essential knowledge and skills (TEKS), and English language proficiency standards (ELPS) required by the state.

****ESL Program – 6th, 7th & 8th Grades**

ESL I, II, & English/Reading SL must be taught by ESL certified teachers. Content courses should address the ELPS and be taught through Sheltered Instruction methodology.

Grade Level	*** ESL Category	*Course(s) Assignment	
6-7-8	Beginner Extended grade after PEIMS Snapshot LPAC recommendation	ESL I (1 period) English I (1 period) Reading SL (1 period) *Enrichment Course (1 period) *Optional	Content subjects using Sheltered English Methodology (required)
	Beginner/Intermediate Student completed 1 full year in BIL/ESL program or entered grade prior to PEIMS Snapshot or earned a Beginner or Intermediate rating on TELPAS Reading LPAC recommendation	ESL II (1 period) English SL (1 period) Reading SL (1 period) *Enrichment Course (1 period) *Optional	
	Intermediate or Advanced LPAC recommendation	English SL (1 period) Reading SL (1 period) *Enrichment Course (1 period) *Optional	

+ All Beginner/Intermediate ELs that receive a beginner rating on TELPAS Reading are eligible for ESL II upon LPAC recommendation.

ESL I and ESL II *cannot be combined* into one course and must follow the TEKS for English Language Arts and ELPS.

All EL students must be served by an ESL certified teacher in ESL I, ESL II, English SL and Reading SL. Also, note that all core teachers must be trained in Sheltered Instruction. It is highly recommended that Math, Science and Social Studies teachers working with ELs are ESL certified. Student Category shall be determined by LPAC end of year recommendation. TELPAS and STAAR results along with other data will be utilized in this determination. Recommendation: English Learners entering into the school district from another country may be selected to participate in the STEM Program if the following is in place: EL student completed Matematicas I or 2 with a score of 9, Ciencias II (Fisica) with a score of 9, and meets the STEM Criteria. Please refer to the student's transcript for qualifications. ELs rated Advanced or Advanced High TELPAS Reading may be placed in Honors classes i.e. Spanish AP. EL students should be considered for participation in HS credit opportunities offered in MS.

Brownsville Independent School District

STAAR with Language and Vocabulary Supports is administered as an online testing program in grades 3-8 and EOC for students who qualify for it.

STAAR (State of Texas Assessment of Academic Readiness)	Oral Language Proficiency Test (OLPT)
--	--

Rigorous assessment program with test design focusing on readiness for success in subsequent grades or courses, and ultimately for college and career. STAAR includes assessments for mathematics and reading at grades 3-8, writing at grades 4 and 7, science at grade 5 and 8, and social studies at grade 8. End-of-Course (EOC) assessments include Algebra I, Biology, English I and II, and U.S. History

Content and Language Support is available.

This test may be used in conjunction with other assessment to provide a complete assessment of listening, speaking, reading, and writing skills.

TELPAS (Texas English Language Proficiency Assessment System)

is designed to measure annual growth in the English listening, speaking, reading, and writing proficiency of second language learners, and will be adjusted as needed to ensure a strong link between academic language proficiency as defined by STAAR.

STUDENTS RECEIVING SPECIAL EDUCATION SERVICE

Special education services shall be provided to eligible students in accordance with all applicable federal law and regulations, state statutes, rules of the State Board of Education (SBOE) and Commissioner of Education, and the State Plan Under Part B of the Individuals with Disabilities Education Act (IDEA). TAC §89.1001 (a). to ensure that all children with disabilities have available to them a free appropriate public education which emphasizes special education and related services designed to meet their unique needs and prepare them for further education, employment and independent living. 34 CF§ §3001 (a).

ASSESSMENTS FOR STUDENTS WITH DISABILITIES

The Texas Assessment Program is a statewide testing program that includes the STAAR, STAAR Spanish; (3-5), STAAR Alternate 2, TELPAS and TELPAS Alternate.

The admission, review and dismissal (ARD) committee makes educational decisions for a student, including whether satisfactory performance on an EOC assessment shall also be required for graduation per Texas Administrative Code (TAC) §89.1070(b):

- STAAR - Most students will take STAAR with or without allowable designated supports.
- STAAR Alternate 2 – Is available for students with significant cognitive disabilities who access the grade-level Texas Essential Knowledge and Skills (TEKS) curriculum through prerequisite skills. Students must meet the STAAR Alternate 2 eligibility requirements to take the STAAR Alternate 2.
- TELPAS--Most EL Students will take TELPAS.
- TELPAS Alternate -- This assessment will evaluate limited English proficient (LEP) students whose admission, review, and dismissal (ARD) committee has determined eligibility for STAAR Alternate 2.

Students receiving Special Education Services and are English Learners

- §89.1230. Eligible Students with Disabilities
- (b) Language proficiency assessment committee members shall meet in conjunction with admission, review, and dismissal committee members to review and provide recommendations with regard to the educational needs of each English learner who qualifies for services in the special education program.

MIGRANT STUDENTS

PLACEMENT OF MIGRANT STUDENTS

Before placing a migrant student in the appropriate setting, a migrant-funded district is required to give priority to migrant Priority for Services (PFS) children, who have made a qualifying move within the previous 1 year period and who are failing or most at risk of failing to meet the state's content and performance standards [P.L. 103-382 * 1304(D)].

Students are identified as Priority for Services by the New Generation System (NGS). These are K-2 students who:

- have made a qualifying move within the previous 1 year period; **AND**
- who are designated EL in the Student Designation section of the New Generation System (NGS) Supplemental Program components or have been retained, or are over age for their current grade level, **OR**
- are in grades 3-12 and identified as un-graded (UG) or out of school (OS), or have failed one or more of the state STAAR assessments, were Absent, or were not enrolled in a Texas school during the state assessment testing period for their grade level and have made a qualifying move within the previous 1 year period.

Migrant students, who are identified as Priority for Service (PFS), will receive priority placement into the MS Migrant Lab, if available. If a PFS Migrant student is performing satisfactorily, then placement into the Migrant Lab is not required. Migrant students who are not identified as PFS are not performing satisfactorily and/or who arrive late and therefore experience school interruption would, benefit from being scheduled into the MS Migrant Lab; If available.

MIGRANT LATE ENTRIES

The Brownsville Independent School District has a commitment to ensure an equal educational opportunity for migrant students. Therefore, the students' regular teachers are strongly requested to cooperate by helping migrant students meet academic requirements. Secondary migrant students, who enter late or withdraw early, are strongly encouraged to utilize the migrant lab classes, if available. The Texas Education Agency has advised, "Under no circumstances should a migrant student, due to migration, be denied the opportunity to complete coursework credit".

1. Late Entry

A. General guidelines for working with migrant students who enter late:

1. Migrant students, who enter late with partial grades from another school should be scheduled into the same or similar classes upon entering BISD. Teachers should be provided with the grades from the

Brownsville Independent School District

sending school for use in calculation of the student's grade for the term.

2. A middle school migrant student with partial grades, who enters late, should be provided opportunities to complete the partial work for all classes.
3. Campuses are to enroll late returning students immediately upon their arrival. **Under no circumstances are students to be told they cannot enroll until the start of the new semester or six weeks grading period.**
4. Students who enter late and have not been in school elsewhere should be scheduled into appropriate required and elective courses for their grade level. These students should be provided opportunities to complete missed work for all classes and placed in the migrant lab, if available.
- B. Migrant students entering school late MAY be eligible for credit in a subject if they:
 1. Successfully complete the major assignments of their regular classes; and/or
 2. Demonstrate mastery (70%) of TEKS by passing equivalent unit examinations for their regular classes; and/or
 3. Complete course requirements with options available through the migrant lab class.
 4. Enter with partial grades for a course that is not offered in BISD, but in which a student has completed a substantial amount of work. Alternative arrangements for course completion should be explored.

2. Credit

- A. Issuance of credits and grades will be reserved for the regular teacher.
- B. If a migrant student has not completed all major assignments or has not shown mastery (70%) of the TEKS by the end of the grading period in which the student enters late or withdraws early, an "incomplete" should be issued to the student until such time as the student completes assignments and/or demonstrates mastery. **The "incomplete" may be carried for six months from the date of next enrollment.**
- C. If a migrant student enters school after the completion of any grading period, he/she will be eligible to take a placement test for the work missed during the grading period (A migrant tutorial session may be recommended for these students to prepare them for the test).

3. Early Exit

- A. Migrant students who withdraw early and who will be attending another school should be provided with all the information that will assist the receiving school in making a proper placement.
- B. Migrant students leaving school during a grading period MAY be eligible for credit in a subject if they:
 1. Migrate at the end of the fifth six week grading period and have completed major course requirements and taken a final exam, (Each case should be considered on an individual basis.)
 2. Successfully complete the major assessments of their regular classes; and/or
 3. Demonstrate mastery (70%) of TEKS by passing equivalent unit examinations for their regular classes.
 4. Withdraw prior to the end of a semester and have not completed course requirements; they may request alternative placement.

4. Testing Opportunities for Migrant Students

- A. State Assessment testing opportunities are available for students who withdraw early during the summer. Counselors or migrant campus clerks need to contact the Migrant Coordinator or Migrant Counselor to make arrangements before the student withdraws from school for students who migrate in the summer.

- B. Students who are interested in testing outside of Texas need to contact the BISD Migrant Department to make the necessary arrangements.

Migrant Educational Supports

Migrant educators have found the instructional strategies effective with migrant students are often those that have become widely recognized as good practice for students in general.

1. **Project SMART**

Project SMART (Summer Migrants Accessing Resources through Technology) is a learning program sponsored by the Texas Education Agency. Curriculum is available each summer in Texas and other participating states for students from early childhood through middle School.

2. **TEXAS MIGRANT INTERSTATE PROGRAMS**

Eligible migrant students may take the STAAR test while migrating outside of Texas. The testing opportunities are available for 8th Grade STAAR. The number of participating states cooperating in this initiative depends on the willingness of the receiving states to attend appropriate STAAR Administration Trainings.

Students who are interested in testing outside of Texas need to contact the BISD Migrant Department to make the necessary arrangements. Once contacted, the BISD Migrant Department will contact the Texas Migrant Interstate Program (TMIP) to initiate the process. TMIP coordinates all STAAR testing outside of Texas. Migrant families may also reach TMIP directly at 1-800-292-7006.

3. **MIDDLE SCHOOL LEADERSHIP CONFERENCE**

The Migrant Department will host a Middle School Leadership Conference for all Middle School PFS Students. Students will be given important training on several issues including leadership, study skills, math and science skills and college awareness. Community agencies will also be invited to participate to give students additional resources. The conference will be held in **March**.

4. **PFS LEARNING ACADEMY**

The Migrant Department hosts a Learning Academy for all PFS Students. The main focus of the Learning Academy is to prepare students for the STAAR. The PFS Learning Academy is usually held during the first semester.

HOMELESS/UNACCOMPANIED YOUTH STUDENTS

YOUTH CONNECTION PROJECT

The philosophy of the BISD Homeless Youth Connection Project is to ensure educational rights and protection of children and youths experiencing homelessness. The Youth Connection Project offers support to the homeless youth in the areas of school enrollment, attendance, and academic achievement.

Brownsville Independent School District

The term “homeless children and youth”—

(A) means individuals who lack a fixed, regular, and adequate nighttime residence (within the meaning of section 103(a)(1)); and

(B) includes—

- (i) children and youths who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations are living in emergency or transitional shelters; or are abandoned in hospitals;
- (ii) children and youths who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings (within the meaning of section 103(a)(2)(C));
- (iii) children and youths who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and
- (iv) migratory children (such term is defined in section 1309 of the Elementary and Secondary Education Act of 1965) who
qualify as homeless for the purposes of this subtitle because the children are living in circumstances described in clauses
(i) through (iii).

ASSISTANCE TO STUDENTS EXPERIENCING LEARNING DIFFICULTIES

Before a child, who is experiencing difficulty in the general education classroom, is referred for a special education evaluation, the child should be considered for all support services available to all children. These services may include, but are not limited to, tutoring, remedial services, compensatory services, response to scientific research-based intervention, and other academic or behavior support services. Response to Intervention federal law directs schools to focus on helping all children learn by addressing problems early. Response to Intervention (RtI) is the (three tier process) policy, which all schools in BISD use for identifying and helping children, who are at risk of not meeting academic success. The RtI process includes the following: the provision of scientific research-based instruction and interventions in the general education classroom, monitoring and measurements of the child’s progress in response to the interventions, and use of these measures of progress to make educational decisions.

The RTI process includes a three tier system of interventions in which each tier represents an increasingly intense level of services. Interventions, which are provided to a child, will be continually adjusted based on progress monitoring until the child is performing adequately. Children who do not respond to the initial interventions within a reasonable period of time as suggested by research are referred for more intensive interventions, and/or a possible evaluation.

SECTION 504/DYSLEXIA

SECTION 504

Section 504 is part of the Rehabilitation Act of 1973 that prohibits discrimination based upon disability. Section 504 is an anti-discrimination, civil rights statute that requires the needs of students with disabilities to be met as adequately as the needs of the non-disabled are met. A student, who is covered under section 504, may have a section 504 plan based on his/her individual needs. The student’s needs and/or progress should be

Brownsville Independent School District

reviewed by the campus 504 committee to determine appropriate accommodations and scheduling of required coursework. The student IEP or section 504 Student Service Plan will be developed with the needs of the students in mind. Eligibility criteria will be discussed and reviewed to determine which test accommodations are in order, if any.

DYSLEXIA

Students, who are identified with Dyslexia and have been recommended to receive Dyslexia Therapy Lab services by the campus 504 committee or ARD committee, shall be enrolled in Dyslexia Therapy Lab in addition to the Reading 6, 7 or 8 requirement. Parent consent is required for enrollment in Dyslexia Therapy Lab.

Dyslexia Therapy Lab will take the place of one elective for the school year. Students, who do not receive parental consent to forfeit an elective and enroll in Dyslexia Therapy Lab, will only receive a Dyslexia Accommodation Plan to be implemented throughout the instructional day.

DUAL ENROLLMENT PROGRAM

For students, who wish to enroll in dual enrollment courses at the high school, it is highly recommended they score an 80 or above on the core subject areas.

GIFTED POPULATION STUDENTS

- a. Academically gifted middle school students must be serviced through the campus Honors or GT program.
- b. Gifted Students will be given opportunities to work on enrichment projects or above-grade-level assignments outside the classroom, usually with gifted peers. Progress is monitored through regular report cards.
- c. Teachers of the gifted will help the student utilize his/her own giftedness and will channel resources and enhanced learning opportunities towards that student that will enlarge the student's natural gifts. Such a teacher will push gifted students to higher personal standard.
- d. To differentiate what students are learning (i.e., content), teachers might use higher level questioning, use problem-or concept-based curriculum, add depth and complexity to their curriculum, provide variations in assessments and assignments, and allow students time to pursue their interests.
- e. To differentiate for how quickly students learn new content (i.e., rate), teachers might use fewer examples to teach something new, incorporate above grade level acceleration, use pre-assessment and curriculum compacting so that students do not have to review what they already know, and organize flexible groups around students' academic strengths and interests.
- f. To differentiate for how students learn (i.e., preference), teachers might vary the method of presentation; give students choices of products, processes, and content; and arrange for mentors to work with students in their interest areas.
- g. To create an environment that encourages motivation (i.e., environment), teachers might establish a system for long-range assignments, provide opportunities for independent research, offer open-ended, self-directed activities, and allow students to work by themselves, with others, and in small groups.

GIFTED AND TALENTED PROGRAM

GT Academic Testing

The Brownsville Independent School District identifies gifted and talented youth by utilizing an identification process, which consists of three district steps: nomination, screening and selection. Nominated students for identification in academics in grades 6-8 are provided services if 3 of the following criteria are within the qualifying range.

1. Raven Progressive Matrices assessment
2. Parent Checklist
3. Renzulli-Hartmen Teacher Checklist
4. Achievement test

GT Fine Arts Testing

Nominated students for identification in fine arts in grades 7-8 are provided services if 3 of the following criteria are within the qualifying range.

Band and Choir

Phase I: *Advanced Measures of Music Audiation* assessment

(a rubric score of 4-5 needed to move on to Phase II)

Phase II:

1. Portfolio with sample recording
2. Teacher Checklist

Art

Phase I: art assessment (a rubric score of 4-5 needed to move on to phase II)

Phase II:

1. Portfolio
2. Teacher Checklist

Dance

1. Portfolio
2. Teacher Checklist
3. Interview
4. Audition

Theater

1. Portfolio
2. Teacher Checklist
3. Interview
4. Audition

COLLEGE CAREER & MILITARY READINESS OPPORTUNITIES

CREDIT BY EXAMINATION FOR ACCELERATION WITHOUT PRIOR INSTRUCTION

The Brownsville Independent School District allows BISD students in secondary academic courses to earn credit for a course on a basis of credit by examination for acceleration. Quarterly testing windows are January 1 to March 31, April 1 to June 30, July 1 to September 30 and October 1 to December 31. BISD does not charge for the exams for acceleration. The district administers examinations developed by Texas Tech University.

Testing and awarding of credit guidelines follow the State Board of Education Rules as stated in the Texas Education Code, Code § 28.023.

BISD students interested in Credit by Examination for Acceleration with no prior instruction should contact the BISD Department of College Career & Military Readiness.

DISTANCE LEARNING

Prior to enrolling a BISD student in any type of distance learning/correspondence course where a student can either take courses to meet grade level promotion criteria or receive graduation credits, a parent/guardian must notify the school principal or his/her designee of their intent. Since a student cannot be enrolled in two school districts simultaneously, it is in the student's best interest for the school district to verify the appropriateness of the institution's program prior to the student beginning the coursework. Failure to notify the school district in advance could affect the awarding of credit.

HIGH SCHOOL COURSE CREDIT AT MIDDLE SCHOOL LEVEL

For students who enter high school in the 2020-2021 school year and THEREAFTER, all high school core area courses (as per chapter 74, DE, AP, and PLTW) taken in middle school will appear on the high school transcript and will be figured into the students' high school grade point average (GPA). Students enrolled in high school credit courses in middle school must complete and meet demonstrated proficiency (70% or higher) in each semester to receive full or partial high school credit. Students will be required to take the respective End of Course exam (EOC). If the grade average of the two half units is 70 (69.5) or above, the student will receive credit for the full unit. If the average of the two half units is below 70 (69.5), the student will receive credit only for the half unit that he/she passed. If the half unit grade is below 70 (69.5), the unit must be repeated for credit when the average of the two half units is below 70 (69.5). For additional information, refer to page 39 of the 2019-2020 High School Course Listing Guide.

§74.26. (b) Award of Credit

For students who are able to successfully complete the second or higher level LOTE course, districts may also award credit for the lower level course(s) by verifying that the student has demonstrated that the requirements of both level courses have been successfully met. This is possible only in LOTE courses because the levels are based on increasing proficiency and the knowledge and skills of the lower level course(s) are subsumed within each upper level course.

UIL ADVANCED COURSES

All high school courses taken in middle school, with the exception of instructional modules, shall be considered as advanced level for UIL eligibility purposes.

PERSONAL GRADUATION PLAN (PGP)

PERSONAL GRADUATION PLAN REQUIREMENTS

- (a) A principal of a junior high or middle school shall designate a guidance counselor, teacher, or other appropriate individual to develop and administer a personal graduation plan for each student enrolled in the (a) junior high or (-) middle school who:
 - (1) Does not perform satisfactorily on an assessment instrument administered under Subchapter B, Chapter 39; or
 - (2) Is not likely to receive a high school diploma before the fifth school year following the student's enrollment in grade level nine, as determined by the district.
- (b) A Personal Graduation Plan under this section must;
 - (1) Identify educational goals for the student;
 - (2) Include diagnostic information, appropriate monitoring and intervention, and other evaluation strategies;
 - (3) Include an intensive instruction program described by Section 28.0213;
 - (4) Address participation of the student's parent or guardian, including consideration of the parent's or guardian's educational expectations for the student; and
 - (5) Provide innovative methods to promote the student's advancement, including flexible scheduling, alternative learning environments, on-line instruction, and other interventions which are proven to accelerate the learning process and have been scientifically validated to improve learning and cognitive ability.

Note: All BISD Middle School students are required to have a Personal Graduation Plan in conjunction with the aforementioned policy.

PERSONAL GRADUATION PLAN Resource Guide and Model Provided by

**Region XIII Education Service Center
Texas Association of Secondary School Principals
Texas Education Agency
October 2003**

Personal Graduation Plan

Personal Graduation Plan Requirements

Senate Bill 1108, passed during the 88th Texas Legislature, Regular Session, 2003, requires a school principal to designate a guidance counselor, teacher or other appropriate individual to develop and implement a personal

Brownsville Independent School District

graduation plan for each student in junior high, middle school, or high school who does not perform satisfactorily on an assessment instrument administered under Subchapter B, Chapter 39, or who is not likely to receive a high school diploma before the fifth school year following the student's enrollment in 9th grade (as determined by the district) (TEC §28.0212). Additionally, each district is required to provide accelerated instruction to a student enrolled in the district who has taken the secondary exit level assessment instrument and has not performed satisfactorily on each section or who is at risk of dropping out of school (TEC§29.081)

**A junior high, middle, or high school student must
have a
Personal Graduation Plan
if:**

✓ The student does not perform satisfactorily on an assessment instrument administered under Subchapter B, Chapter 39,

OR

✓ The student is not likely to receive a high school diploma before the fifth school year following the Student's enrollment in grade level nine, as determined by the district.

Each Personal Graduation Plan must:

1. identify educational goals for the student;
2. include diagnostic information, appropriate monitoring and intervention, and other evaluation strategies;
3. include an intensive instruction program described by Section 28.0213;
4. address participation of the student's parent or guardian, including consideration of the parent's or
5. provide innovative methods to promote the student's advancement, including flexible scheduling, alternative learning environments, online instruction, and other interventions that are proven to accelerate the learning process and have been scientifically validated to improve learning and cognitive ability.

For students receiving special education services, the Personal Graduation Plan is developed by the ARD Committee as part of the Individual Education Program in accordance to TEC §29.005.

NOTE: Schools, which receive funds under the *High School Completion and Success Grant Program*

authorized under Rider 88, General Appropriations Act, 88th Texas Legislature, Regular Session, 2003, must ensure that all students have an individualized graduation plan. Individualized Graduation Plans must ensure students at risk of not graduating from high school are afforded instruction from highly qualified teachers, have access to online diagnostic and assessment instruments, and are provided accelerated instruction in areas of academic weakness. The Individualized Graduation Plan may serve as an extension of the Personal Graduation Plan. Districts which receive grant funds will be provided with additional information.

Development & Implementations Model

For the Personal Graduation Plan, the following model is offered to assist districts in the development and implementation of the PGP required under SB 1108. Neither the Texas Education Agency nor the State Board of Education (SBOE) has any rulemaking authority in this area. Therefore, it is the responsibility of each school district to interpret and implement the provisions of the TEC in a manner consistent with the statute that will best serve the school district's unique characteristics. District and campus leaders are encouraged to first read the statute and local policy, and then refer to local administrative procedures to guide them in the implementation of meeting this requirement.

Course Requirements/ Recommendations & Course Sequence Charts

8th Grade English I		
Course #	Course Description	Prerequisite
530511(2)	English I GT	Meet GT Criteria
530521(2)	English I Honors	Meet Honors Criteria and meet Eng. I Enrollment Criteria

Enrollment Criteria:

Schools may use any of the following options for placing students in English I Honors or English I GT in Grade 8.

Option 1: Student must have at least an 85 FINAL average in 6th and 7th Grade English and have scored "Masters" on the standardized state assessment for Reading **and** for 7th Grade Writing

Option 2: Student must have at least an 85 FINAL average in 6th and 7th Grade Reading/English and have scored "Masters" on the standardized state assessment for Reading and "Meets" for 7th Grade Writing. Pending TEA assessment.

- Students taking English I for high school credit should follow all criteria in the high school grading procedures, including but not limited to, six weeks tests and semester exams and EOC.
- Students must complete and meet proficiency (70% or higher) in each semester to receive partial or full high school credit. Students not meeting proficiency (69% or lower) in English I, must enroll in English I course in summer school in one of the hosting high school or repeat English I in Grade 9.
- The enrollment in English I in Grade 8, from an out of district transfer student will be determined collaboratively through campus administration and the Curriculum & Instruction Department.
- English I taken in middle school will appear on high school transcript beginning on 2020-2021 school year and THEREAFTER, and will be figured into student's high school transcript grade point average (GPA). [See page 14].

532761(2)	Algebra I Honors	Successful completion of 8 th Grade Math or its equivalent
532781(2)	Algebra I STEM	Meet Algebra I/STEM Criteria

***Pre-Algebra**

Enrollment Criteria:

Schools may use any of the following options for placing students in Pre-Algebra and Pre-Algebra STEM in Grade 7.

Option 1: An overall average 85% as a final grade and Meets on the respective 6th grade standardized state assessment in the area of math.

Option 2: Masters on the respective 6th grade standardized state assessment in the area of math

Students enrolled in Pre-Algebra and Pre-Algebra STEM during Grade 7.

Students not meeting proficiency (69% or lower) must follow District Policy.

Algebra I

Enrollment Criteria:

Students must complete and meet proficiency (70% or higher) in Pre-Algebra or Pre-Algebra STEM as a Math 8 Credit as pre state mandated prerequisites.

Students taking Algebra I for high school credit should follow all criteria in the high school grading procedures: six weeks tests, semester exams and EOC. Students must complete and meet demonstrated proficiency (70% or higher) in each semester to receive partial or full high school credit.

Students not meeting proficiency (69% or lower) in Algebra 1 must attend summer school in one of the hosting high schools or repeat Algebra 1 in Grade 9.

Algebra I taken in middle school will appear on high school transcript and will be figured into student's high school transcript grade point average (GPA).

NOTE: The enrollment in Pre-Algebra or Algebra I from an out of district transfer student will be determined collaboratively through Campus Administration and the Curriculum & Instruction Department.

Health

Courses shaded in light blue require the approval of the ARD Committee		
Modified (Resource) – A modified curriculum in a separate classroom for Special Education students only.		
Modified (DE) (Resource) – A modified curriculum in a separate classroom specifically designed for students with auditory impairments.		
Alternate – An alternate curriculum for students with significant cognitive disabilities that requires access to the TEKS through prerequisite skills that are linked to the grade-level curriculum.		
Alternate (SFL) – (Structured for Life) An alternate curriculum for students with significant cognitive disabilities that require access to the TEKS through prerequisite skills that are linked to the grade-level curriculum and require a more structured educational environment.		

BISD requires that one semester of Health be taken in the 8th grade. One semester is required.
BISD requires that one semester of Health be taken in the 6th grade and one semester in 8th grade to be equivalent to 1 credit.

Physical Education

Beginning with the 2008-2009 school year. (H.B.530) a school district shall require students enrolled in grade levels six, seven, and eight to participate in moderate or vigorous daily physical activity for at least 30 minutes for at least four semesters during those grade levels as part of the district's physical education curriculum to students enrolled in grade levels six through eight

As per House Bill 530, a school district shall require students in grade levels, six, seven, and eight to participate in moderate or vigorous daily physical activity for at least 30 minutes for at least 4 semesters during those grade levels as part of the District's physical education curriculum. The four minimum semesters of PE/Athletic classes for both genders will be scheduled during grades 6th and 7th. It is strongly recommended that pre-athletic class for 6th graders be offered at the Middle School level.

According to research, it is highly recommended that students complete 6 semesters of Athletics in order to ensure a strong middle school foundation that will be vertically aligned with each respective high school athletic program.

Courses in Partner PE

Partner Physical Education/Peer Tutor is a success oriented physical education program featuring supervised peer tutors and individualized learning and instruction. The focus of the course is to encourage a variety of physical fitness activities, increased knowledge of health and fitness strategies and assist in the acquisition of individual and team lifetime recreational skill and activities. This course addresses the unique physical education needs of students with variety of disabilities in a setting that allows for positive interaction with peers, achieve success, improve social skills, and build self-esteem. Peers need to be encouraging at all times and dress appropriately for activities.

Students to teacher ratio: 10-15 special needs students to one Partner PE teacher with consultation from an Adapted PE teacher and para-educators will also go to the Partner PE class.

The total number of student partners should include 3-5 over the number of students with special needs.

Peer Partner – Prerequisite: PPE Application, interview and instructor approval.

General Education students must submit an application to become a peer tutor. Parent and student must sign a permission form allowing the student to become a peer tutor.

Courses in blue are for students with disabilities who require an alternate curriculum and approval by the ARD committee.

Course Number	Course Description	Grade	Per Unit Credit	Prerequisite
713813	Peer Assistance for SWD I	6	.5	Application approval
713826	Physical Education, Departmentalized	6	.5	ARDC approval
713833	Peer Assistance for SWD II	7	.5	Application approval
713836	Physical Education	7	.5	ARDC approval
713843	Peer assistance for SWD III	8	.5	Application approval
713846	Physical Education	8	.5	ARDC approval

Fine Arts

House Bill 3

House Bill 3, each student is required to take one fine arts credit in middle school. The strong recommendation is for students to take the fine arts requirement in the 6th or 7th grade. However, according to research, it is highly recommended that students complete 6 semesters of fine arts in order to ensure a strong middle school foundation that will vertically align with each respective high school.

As per House Bill 5, PE credit may be earned through completion on any Texas Essential Knowledge and Skills based course that meets the requirement in subparagraph (#) of this paragraph for 100 minutes of moderate to vigorous physical activity per five-day school week. Therefore, students may receive PE credit through Dance courses.

Inclusion Scheduling

Course #	Course Description
The following course numbers may be used for scheduling purposes only.	
IN3210	World Societies 6 (Inclusion)
IN2910	Science 6 (Inclusion)
IN2660	Math 6 (Inclusion)
IN0710	Reading 6 (Inclusion)
IN0330	English 6 (Inclusion)
IN3250	Texas History 7 (Inclusion)
IN2950	Science 7 (Inclusion)
IN2700	Math 7 (Inclusion)
IN0770	Reading 7 (Inclusion)
IN0400	English 7 (Inclusion)
IN3300	US History 8 (Inclusion)
IN3070	Science 8 (Inclusion)
IN2790	Math 8 (Inclusion)
IN0820	Reading 8 (Inclusion)
IN0480	English 8 (Inclusion)

For scheduling tasks only:

- ✓ To identify students on choice slip/tally;
- ✓ To “block” regular course “blockettes” for teachers/periods assigned for inclusion.

Example: (must be same section)

613211-50 World Societies A

613212-50 World Societies B

IN3210-50 INC BK World Societies

To assign “inclusion” teacher schedule

INC3210 – 100 NOT ISSUED

Period Meet MP = YYY

Teacher Use MP Mark = NNN

Room Use EX Mark = NNN

“0” Seats Use TG Mark = NNN

Texas Education Agency Graduation Toolkit

Graduation Program – Overview

Foundation High School Program

A new, more flexible graduation program that allows students to pursue their interests will be in place for all students who enter high school, beginning in the 2014-2015 school year.

The program contains up to four parts:

- A 22-credit foundation program which is the core of the new Texas high school diploma
- Five endorsement^{*} options that allow students to focus on a related series of courses
- A higher performance category called Distinguished Level of Achievement
- Performance Acknowledgments that note outstanding achievement

The Foundation requirements (22 credits) include:

English (4 credits)	• English I • English II • English III • An advanced English course		
Mathematics (3 credits)	• Algebra I • Geometry • An advanced math course		
Science (3 credits)	• Biology • Integrated Physics & Chemistry or an advanced science course • An advanced science course		
Social Studies (3 credits)	• World History or World Geography • U.S. Government (one-half credit)		• U.S. History • Economics (one-half credit)
Languages Other Than English (2 credits)	• 2 credits in the same language or • 2 credits from Computer Science I, II, III		
Physical Education (1 credit)	Fine Arts (1 credit)	Electives (5 credits)	
Speech: Demonstrated proficiency			

Endorsements Total credits with endorsements 26

Enhancements

Additionally, a student may earn the Distinguished Level of Achievement and/or a Performance Acknowledgment for outstanding performance. The Distinguished Level of Achievement must be earned to be admitted to a Texas public university under the Top 10 percent automatic admission law.

Distinguished Level of Achievement

- Foundation Program requirements
- 4 credits in math including Algebra II
- 4 credits in science
- at least 1 endorsement

Performance Acknowledgments

- dual credit course
- bilingualism and biliteracy
- PSAT, ACT's Plan, SAT or ACT
- Advanced Placement or International Baccalaureate exam
- earning a nationally or internationally recognized business or industry certification or license

^{*}A student entering 9th grade must indicate an endorsement he or she plans to follow. A student may change or add an endorsement at any time.

A student may graduate without earning an endorsement if, after his or her sophomore year, the student's parent signs a form permitting the student to omit the endorsement requirement.

TSI (Texas Success Initiative)

The Texas Legislature mandates students be assessed on a state exam in reading, writing, and math before enrolling in any college-level course work (dual enrollment). The TSI is the instrument used for this mandate. 8th grade middle school students interested in participating in the Early College High School cohort or in Early College High School dual enrollment courses are required to attempt the reading portion of the TSI prior to requesting any dual enrollment courses for their 9th grade year.

While most dual enrollment courses offered in grades 9 and 10 require only an attempt on the TSI reading (courses include dual enrollment Spanish, Art Appreciation, Music Appreciation, and Speech), any other dual enrollment course will require passing TSI scores.

For a list of TSI requirements per dual enrollment course, click on the following link:

http://www.bisd.us/echs/html/05_TSC.htm.

The reading TSI is offered free to all interested 8th graders during the fall semester at their home campuses.

Once in high school, students may retake the TSI free at each of the district's Early College High Schools in order to qualify for additional dual credit courses.

Recommended Replacement Courses for Middle School Honors**

Previous Course	New Course	New Course Pre-Requisites
Pre-AP English 6 th , 7 th , and 8 th grade	Honors English 6 th , 7 th and 8 th grade	85+ in prerequisite course Masters in most recent STAAR Reading test Meets Expectations in most recent STAAR Writing test
Pre-AP English I	Honors English I	85+ in prerequisite course Masters in most recent STAAR Reading test Meets Expectations in most recent STAAR Writing test
Pre-AP Science 6 th , 7 th , and 8 th grade	Honors Science 6 th , 7 th , and 8 th grade	85+ in prerequisite course Masters in most recent STAAR Reading test Meets Expectations in most recent STAAR Math test
Pre-AP Biology	Honors Biology I	85+ in prerequisite course Masters in most recent STAAR Reading test Meets Expectations in most recent STAAR Math test
Pre-AP Math 6 th , 7 th , and 8 th grade	Honors Math 6 th , 7 th , and 8 th grade	85+ in prerequisite course Meets Expectations in most recent STAAR Math test
Algebra I Pre-AP	Honors Algebra I	85+ in prerequisite course Meets Expectations in most recent STAAR Math test
Pre-AP History 6 th , 7 th , and 8 th grade	Honors History 6 th , 7 th , and 8 th grade	85+ in prerequisite course Masters in most recent STAAR Reading test

*****Honors courses will be the replacement class for Pre-AP. All academic GT students will be serviced through an Honors course when applicable. Teacher requirements: teachers are required to have the 30 GT core hour training. Advanced Academics will offer 6 on-going hours of curriculum differentiation, tiered instruction, and project based learning during the fall semester with select Honors teachers from each middle school. Trained teachers will then go back to home campuses and train all other Honors teachers. Training must be completed by the end of the fall semester.***

Honors teachers training requirements: 30 GT core hours
6 on-going hours
