Storybook Pumpkin Patch

Red Ribbon Week

Storybook Character Parade

Learn, Discover, Create

Breeden Elementary

In October we continued to see our Pre K 3- 5th grade classes on a weekly rotation schedule. We also started mini gardens during our after school program. Students had hands on science lessons and enjoyed numerous read out loud about the autumn season. We begin to prepare for November where we will be helping with the Student Voting, reading about democracy and celebrating our AR students.

Library Pumpkin Patch

Groups are puzzle building during rotation classes.

In October we learned how plants grow. We planted small seeds and journaled the different stages of germination, during TCLASS (3:30-5:45pm)

Vela Tryout Novel

The image features a white background with a thin orange border. In the four corners, there are clusters of stylized autumn leaves in shades of yellow, orange, and red. The leaves are arranged in a way that they appear to be falling or blowing from the corners towards the center. The text "HIGH SCHOOL LIBRARIES" is centered in a large, bold, black serif font.
